SERIES 2009A**

INTRODUCTORY STATEMENT

This Official Statement, including the cover page and the Appendices hereto, is provided to furnish certain information in connection with the sale by Louisville/Jefferson County Metro Government (the “Issuer”) of \$15,250,000* in aggregate principal amount of its Student Housing Industrial Building Refunding Revenue Bonds (ULH, Inc.—Kurz Hall Project), Series 2009A (the “Series 2009A Bonds”). The Series 2009A Bonds are to be issued by the Issuer pursuant to a Trust Indenture (the “Indenture”) dated as of December 1, 2009, between the Issuer and The Bank of New York Mellon Trust Company, N.A., Louisville, Kentucky, as Trustee (the “Trustee”), to finance a portion of the costs of issuing the Series 2009A Bonds and to refund the \$14,135,000 County of Jefferson, Kentucky Variable Rate Student Housing Industrial Building Revenue Bonds (ULH, Inc. – University of Louisville, Phase II Project), Series 2002A (the “Series 2002A Bonds”). The proceeds of the Series 2002A Bonds were used to finance (i) the cost of acquisition, construction, equipping and installation of a three-story, approximately 129 room student housing facility with 402 beds on property located at 1900 South Fourth Street in Louisville, Jefferson County, Kentucky (the “Project”), (ii) interest on the Series 2002A Bonds during the period of construction of the Project, (iii) working capital and (iv) a portion of the costs of issuing the Series 2002A Bonds.

The Issuer will lend the proceeds of the Series 2009A Bonds to ULH, Inc., a Kentucky nonprofit corporation (the “Lessee”) exempt from federal income taxes as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “Code”), pursuant to the Loan Agreement (the “Loan Agreement”) dated as of December 1, 2009, between the Issuer and the Lessee. The Lessee is obligated pursuant to the Loan Agreement to pay to the Issuer, or to its assigns, including the Trustee, such loan payments as will be sufficient to pay the principal of, premium, if any, and interest on the Series 2009A Bonds, as the same mature and become due.

The land on which the Project is constructed was leased to the Lessee pursuant to a Ground Lease dated as of July 1, 2002, between the Commonwealth for the use and benefit of The University of Louisville, as Lessor (the “Lessor” or the “Ground Lessor”) and the Lessee (the “Ground Lease”). On the date of issuance of the Series 2009A Bonds, the proceeds thereof (other than those used to pay costs of issuing the Series 2009A Bonds) will be used to refund the Series 2002A Bonds.

The Lessee enter into a Management Agreement dated as of July 1, 2009 (the “Management Agreement”) with Allen & O’Hara Education Services, Inc. (the “Manager”) pursuant to which the Manager will agree to manage the Project until June 20, 2010. The Manager has performed management services for the Project since its completion. See “THE MANAGER AND THE MANAGEMENT AGREEMENT” herein.

* Preliminary; subject to change.

As additional security for the Series 2009A Bonds, the University of Louisville Foundation, Inc., a Kentucky nonprofit corporation (the “Foundation”) (see “THE FOUNDATION” herein), will issue its Unconditional Guaranty (the “Guaranty”) guaranteeing to the Trustee the payment of all amounts owing by the Lessee under the Loan Agreement, among other things. See “SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS—THE GUARANTY” in Appendix B hereto.

Pursuant to the terms of the Indenture, the Issuer will assign and grant a security interest in all of its rights under the Loan Agreement (except for the Unassigned Rights) to the Trustee which, on behalf of the owners of the Series 2009A Bonds, will exercise all of the Issuer’s rights thereunder (except for Unassigned Rights). See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2009A BONDS” herein.

The obligations of the Lessee under the Loan Agreement are non-recourse to the Lessee, and judgment in any action or proceeding shall be enforceable against the Lessee only to the extent of the Lessee’s interest in the Project. See “THE LESSEE—Non-Recourse Obligation of the Lessee” herein.

To secure its obligations under the Loan Agreement, the Lessee will grant to the Trustee a first lien on the Lessee’s interest in the Premises (as defined herein) created by the Ground Lease and will assign and pledge to the Trustee the Lessee’s interest in the leases, rents, issues, profits, revenues, income, receipts, moneys, royalties, rights and benefits of and derived from the Project pursuant to a Leasehold Mortgage, Security Agreement and Fixture Financing Statement (the “Leasehold Mortgage”) dated as of December 1, 2009 from the Lessee to the Trustee, and the Assignment of Rents and Leases dated as of December 1, 2009 from the Lessee to the Trustee (the “Assignment”).

THE PROJECT

The Kurz Hall Project is a residence hall facility that will consist of one three-story building which will house 402 students. The typical residential suite within the complex will house four students in two double-occupancy bedrooms sharing one bathroom. Of the 402 total beds, 332 beds will be contained in this primary suite style housing four students each. In addition, there will be 64 beds in other suite configurations that will house one, two or three students. Seven specially designed single units will house Resident Assistants (“RAs”). Not included in the 402-bed count is a two-bedroom apartment that will house a live-in manager.

The student rooms and community areas will be accessed from enclosed interior corridors. Each floor will provide study rooms, a community kitchen and TV lounge. The first floor will also contain the front desk, lobby area, student mailboxes, management office, computer lab, a fully equipped classroom, study rooms, exercise room, vending area and large laundry room. There will be two elevators as well as a large, open and inviting central stairway. Two or more RAs will live on each floor, providing a student-to-RA ratio of 55:1. The design will facilitate student interaction as well as communication with both management and the RA staff to promote a full living/learning program.

Each bedroom will be wired for cable TV and telephone, as well as outlets for each student providing direct access to the University Ethernet system. The bedrooms will be fully furnished, including two beds, two desks, two chests of drawers and two wardrobes. Each room will include a bathroom sink, small refrigerator and microwave. The shared bathroom in each suite will have separate shower and toilet areas.

Ingress to the building will be controlled by card access and video cameras will be positioned at strategic points throughout the building. At the front door will be a 24-hour-staffed desk. The design of the building creates a large landscaped courtyard that is enclosed on four sides, creating a secure area for student relaxation and interaction. This area will include benches, BBQ grills and picnic tables.

Enhanced sound insulation will be installed in the floors and walls. The entire building will be fully sprinklered with fire alarms connected to an enunciator panel at the front desk. Heating and cooling will be provided by a central building water-source, heat pump system.

The building configuration and exterior elevations are designed to conform to the Campus architectural theme. A reserved parking area for the residence hall will be located in a University parking lot adjacent to the building allowing parking for up to 402 cars. The front door of the residence hall will provide easy access to the center of campus and will be situated directly across the street from three existing University or University-related residence facilities.

The cost for utilities, telephone, cable TV and data access will be included in the student rent. The following table shows a listing of unit mix, number of beds and anticipated 2009-2010 rental rates.

Project Unit Mix

Unit Type	No. Suites	No. Beds	Anticipated Rental Per Bed	
			Per Month	Per Semester
4-person Suite	83	332	\$371	0
2-person Room in 3-person Suite	19	38	386	0
2-person Suite	4	8	422	0
1-person Room	17	17	499	0
RA Unit	7	7	0	0
Manager's Apartment	<u>1</u>	<u>0</u>	0	0
Total	131	402		

It is anticipated that the units in the Project will be rented on a nine-month, academic year basis. Units will also be rented in the summer to students attending summer school and to groups for seminars, camps and other summer programs. Construction of the Project is scheduled to be completed by August 1, 2003. The Project was designed by Lockett & Farley Architects (the "Architect") and will be constructed pursuant to a guaranteed maximum price contract by Messer Construction Company (the "Contractor"). Bond proceeds will be used to fund capitalized interest on the Bonds through December 1, 2003. No assurance can be given that construction of the Project will be completed on time or on budget.

Projected cash flow from the Project is set forth herein under the heading "CASH FLOW FORECAST."

The real estate on which the project is located was formerly a manufacturing facility, and a Phase I Environmental Survey of the property indicated a number of potential environmental contamination issues. Under the Ground Lease, the University will be responsible for remediating any pre-existing environmental condition on the site.

For additional information regarding the Manager of the Project, see "THE MANAGER AND THE MANAGEMENT AGREEMENT" herein.

(c) If the Series 2009A Bonds are called for redemption upon the occurrence of any of the events described in the two immediately preceding subsections, the Series 2009A Bonds may be redeemed on any date for which the requisite notice of redemption can be given within 180 days of such event at a redemption price of 100% of the principal amount thereof plus interest accrued to the redemption date.

Other Redemptions at Par. The Series 2009A Bonds shall also be subject to redemption prior to maturity in whole or in part, at any time and as expeditiously as reasonably possible, or in part, on any date, upon the deposit of moneys in the Redemption Fund required by the Loan Agreement or the Indenture as set forth below in a principal amount equal to such deposit and at a redemption price of 100% of such principal amount thereof plus interest accrued thereon to the redemption date from:

(a) any net proceeds of title insurance paid to the Trustee pursuant to the provisions of the Loan Agreement; or

(b) any proceeds of a sale or disposition of any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary Equipment paid to the Trustee pursuant to the provisions of the Loan Agreement; or

(c) any net proceeds of insurance received by the Lessee as a result of destruction of or damage to the Project transferred to the Redemption Fund pursuant to the provisions of the Loan Agreement; or

(d) any net proceeds received by the Lessee as a result of the taking of the Project or any part thereof under the exercise of the power of eminent domain transferred to the Redemption Fund pursuant to the provisions of the Loan Agreement; or

(e) any net proceeds received by the Lessee as a result of the release or subordination of a part of the Premises pursuant to the provisions of the Loan Agreement.

Selection of Series 2009A Bonds To Be Redeemed. The Series 2009A Bonds shall be redeemed only in Authorized Denominations. The Trustee shall select the Series 2009A Bonds to be redeemed in accordance with the terms and provisions of the Indenture. If less than all of the

Series 2009A Bonds of any series or any maturity within a series are to be called for redemption, the Trustee shall select, in such manner as the Trustee in its sole discretion may determine, the Series 2009A Bonds or such series or maturity to be redeemed. If a book-entry system of evidence of transfer of ownership of Series 2009A Bonds is in effect with a Securities Depository as provided in the Indenture and less than all of the Series 2009A Bonds of any series or any maturity within a series are to be redeemed, then such Securities Depository shall determine by lot the amount of the interest of each direct participant in such Series 2009A Bonds to be redeemed. Notwithstanding the foregoing, if less than all of the Series 2009A Bonds of any series are called for redemption (other than through mandatory sinking fund redemption), the Lessee shall have the right to designate the maturity of such Series 2009A Bonds to be called for redemption and designate the Sinking Fund Requirement to which such redemption shall be credited.

Election To Redeem and Notice to Trustee; Redemption Notice. In case of any optional redemption pursuant to the Indenture, the Lessee shall, at least 20 days prior to the date that notice of redemption is required to be given by the Trustee, notify the Trustee in writing of such redemption date and of the principal amount of Series 2009A Bonds to be redeemed.

At least 30 days and not more than 60 days before the redemption date of any Series 2009A Bonds, whether such redemption be in whole or in part, the Trustee shall cause a notice of such redemption signed by the Trustee to be mailed, first-class postage prepaid, to each Rating Agency then rating the Series 2009A Bonds, and to all Owners of Series 2009A Bonds to be redeemed in whole or in part at their addresses appearing upon the Bond Register; provided that any such notice to a Securities Depository Nominee shall be given by facsimile followed by certified or registered mail. Failure to mail any such notice to any Owner or any defect in any notice so mailed shall not affect the validity of the proceedings for the redemption of the Series 2009A Bonds of any other Owners to whom such notice was given as required hereby. The Trustee shall also give such notice of redemption, by certified or registered mail, to at least three securities depositories and at least two national information services which disseminate redemption information, but failure to mail such notice or any defect therein shall not affect the validity of any proceedings for the redemption of any Series 2009A Bonds. At least 15 days before the redemption date of Bonds, such redemption notice shall also be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to the Issuer.

Any notice of redemption may state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the redemption date of Available Moneys or Defeasance Obligations, or a combination of both, sufficient and legally available to pay the principal of and premium, if any, and interest on the Series 2009A Bonds to be redeemed and that if such Available Moneys or Defeasance Obligations are not so received or are not so legally available such notice shall be of no force or effect and such Series 2009A Bonds shall not be required to be redeemed. In the event that such notice contains such a condition and Available Moneys or Defeasance Obligations, or a combination of both, sufficient to pay the principal of and premium, if any, and interest on such Series 2009A Bonds are not received by the Trustee on or prior to the redemption date, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such Available Moneys or Defeasance Obligations were not so received.

Effect of Calling for Redemption. On or before the date fixed for redemption, moneys or Defeasance Obligations shall be deposited with the Trustee sufficient to pay the Redemption Price of the Series 2009A Bonds or portions thereof called for redemption as well as the interest accruing thereon on the redemption date thereof.

On the date fixed for redemption, notice having been given in the manner and under the conditions provided in the Indenture (as described above), the Series 2009A Bonds or portions thereof called for redemption shall be due and payable at the Redemption Price provided therefor, plus accrued interest to such date. On such date, if money or Defeasance Obligations, or a combination of both, sufficient to pay the Redemption Price of the Series 2009A Bonds or portions thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by the Trustee in trust for the Owners of Series 2009A Bonds or portions thereof to be redeemed, interest on the Series 2009A Bonds or portions thereof called for redemption shall cease to accrue; such Series 2009A Bonds or portions thereof shall cease to be entitled to any benefits or security under the Indenture or to be deemed Outstanding; and the Owners of such Series 2009A Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the Redemption Price thereof, plus accrued interest to the date of redemption. Series 2009A Bonds and portions of Series 2009A Bonds for which irrevocable instructions to pay on one or more specified dates or to call for redemption at a redemption date have been given to the Trustee in form satisfactory to it shall not thereafter be deemed to be Outstanding under the Indenture and shall cease to be entitled to the security of or any rights under the Indenture, other than rights to receive payment of the Redemption Price thereof and accrued interest thereon to the date of redemption, to be given notice of redemption in the manner provided in the Indenture, and, to the extent hereinafter provided, to receive Series 2009A Bonds for any unredeemed portions of Series 2009A Bonds, if money or Defeasance Obligations, or a combination of both, sufficient to pay the Redemption Price of such Series 2009A Bonds or portions thereof, together with accrued interest thereon to the date upon which such Series 2009A Bonds or portions thereof are to be paid or redeemed, are held by the Trustee in trust for the Owners of such Series 2009A Bonds.

Redemption of a Portion of a Bond. If a portion of an Outstanding Bond shall be selected for redemption, the Owner thereof or his, her, or its attorney or legal representative shall present and surrender such Bond to the Trustee for payment of the principal amount thereof so called for redemption and the redemption premium, if any, on such principal amount, and the Issuer shall cause to be executed and the Trustee shall authenticate and deliver to or upon the order of such Owner or his, her, or its legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of the same form and maturity and of any Authorized Denominations; provided, however, that if the Owner is a Securities Depository Nominee, the Securities Depository, in its discretion, (a) may surrender such Bond to the Trustee and request that the Issuer cause to be executed and the Trustee authenticate and deliver a new Bond for the unredeemed portion of the principal amount of the Bond so surrendered or (b) shall make an appropriate notation on such Bond indicating the dates and amounts of such reduction in principal.

Purchase in Lieu of Redemption. In lieu of redeeming Series 2009A Bonds, the Trustee, at the request of the Lessee, may use such funds otherwise available under the Indenture for redemption of Series 2009A Bonds to purchase Series 2009A Bonds in the open market at a price not exceeding the redemption price then applicable under the Indenture, such Series 2009A Bonds to be delivered to the Trustee for cancellation. The Lessee shall receive a credit with respect to the Sinking Fund Requirement for any Series 2009A Bonds that have been purchased and cancelled by the Trustee at 100% of the principal amount thereof against the Sinking Fund Requirement for the Series 2009A Bonds on such and any excess over such amount shall be credited against future Sinking Fund Requirements in chronological order or such other order as the Lessee may designate.

Book-Entry-Only System

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC, BUT NEITHER THE ISSUER NOR THE LESSEE TAKES ANY RESPONSIBILITY FOR THE ACCURACY THEREOF.

The Indenture directs the Issuer, the Trustee, the Lessee and certain other persons to deem and treat the person in whose name any Series 2009A Bond is registered in accordance with the Indenture on the registration books maintained pursuant to the Indenture as the owner thereof for all purposes. Notwithstanding the above, so long as the Bonds are held under a book-entry system, transfers and exchanges of beneficial ownership of the Bonds will be effected on the books of The Depository Trust Company ("DTC"), New York, New York or its successor as securities depository for the Bonds, pursuant to its rules and procedures.

DTC will act as securities depository for the Series 2009A Bonds. The Series 2009A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity for each issue of the Series 2009A Bonds, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, GSCC, MBSCC and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2009A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2009A Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2009A Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction.

Transfers of ownership interests in the Series 2009A Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2009A Bonds, except in the event that use of the book-entry system for the Series 2009A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2009A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2009A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2009A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2009A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2009A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2009A Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond Documents. For example, Beneficial Owners of the Series 2009A Bonds may wish to ascertain that the nominee holding the Series 2009A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2009A Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2009A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2009A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (nor its nominee), the Trustee, the Lessee or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2009A Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered.

So long as Cede & Co., or any successor thereto, is the registered owner of the Series 2009A Bonds, as DTC's partnership nominee, references herein to the Bondholders or owners or registered owners of the Series 2009A Bonds shall mean DTC and shall not mean the Beneficial Owners of the Series 2009A Bonds. During such period, the Trustee and the Issuer will recognize DTC or its partnership nominee as the owner of all of the Series 2009A Bonds for all purposes, including the payment of the principal of, premium, if any, and interest on the Series 2009A Bonds, as well as the giving of notices and voting.

THE ISSUER, THE LESSEE AND THE TRUSTEE WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY PARTICIPANT OR ANY BENEFICIAL OWNER OF THE SERIES 2009A BONDS WITH RESPECT TO: (1) THE SERIES 2009A BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (3) THE PAYMENT OF ANY AMOUNT DUE TO ANY PARTICIPANT OR BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE SERIES 2009A BONDS; (4) THE DELIVERY BY DTC TO ANY DIRECT PARTICIPANT, OR BY ANY PARTICIPANT TO ANY BENEFICIAL OWNER OF ANY NOTICE WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE SERIES 2009A BONDS TO BE GIVEN TO SERIES 2009A BOND OWNERS; (5) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2009A BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2009A BONDS

THE SERIES 2009A BONDS HAVE BEEN ISSUED UNDER THE PROVISIONS OF SECTIONS 103.200 THROUGH 103.285 OF THE KENTUCKY REVISED STATUTES AND DO NOT REPRESENT OR CONSTITUTE A DEBT OR PLEDGE OF THE FAITH AND CREDIT OR TAXING POWER OF THE ISSUER, THE COMMONWEALTH OR ANY AGENCY OR POLITICAL SUBDIVISION THEREOF. PRINCIPAL OF AND PREMIUM (IF ANY) AND INTEREST ON THE SERIES 2009A BONDS ARE PAYABLE SOLELY FROM THE REVENUES AND ASSETS PLEDGED PURSUANT TO THE INDENTURE.

No Liability of the Commonwealth, Issuer's or Trustee's Officers

No recourse under or upon any obligation, covenant or agreement contained in the Indenture, or in the Series 2009A Bonds, or for any claim based thereon, or under any judgment obtained against the Trustee, or by the enforcement of any assessment or penalty or otherwise or by any legal or equitable proceeding by virtue of any constitution, rule of law or equity, or statute or otherwise or under any other circumstances, under or independent hereof, shall be had against any incorporator, director, member or officer, as such, past, present or future, of the Trustee, or any incorporator, director, member or officer of any successor corporation, as such, either directly or through the Trustee or any successor corporation, or otherwise, for the payment to the Trustee as trustee for the Bondholders or otherwise, of any sum that may be due and unpaid by the Issuer upon the Series 2009A Bonds. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any

such incorporator, director, member or officer, as such, to respond by reason of any act or omission on his part or otherwise, for the payment to the Trustee as trustee for the Bondholders or otherwise, of any sum that may remain due and unpaid upon the Series 2009A Bonds, is expressly waived and released as a condition of and in consideration for the execution of the Indenture and the issuance of the Series 2009A Bonds.

All covenants, stipulations, obligations and agreements of the Issuer contained in the Indenture are and shall be deemed to be covenants, obligations and agreements of the Issuer to the full extent authorized by the Act and permitted by the Constitution of the Commonwealth. No covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Issuer or the Commonwealth shall be enforceable against such member, officer, agent or employee of the Issuer or the Commonwealth in anything other than that person's official capacity. Neither any official of the Commonwealth nor any official of the Issuer executing the Series 2009A Bonds, the Indenture, the Loan Agreement or any amendment or supplement hereto or thereto shall be liable personally on the Series 2009A Bonds or subject to any personal liability or accountability by reason of the issuance or execution hereof or thereof.

Pledge and Assignment of Trust Estate

Pursuant to the Indenture, the Issuer will assign and grant a security interest to the Trustee, in order to secure the payment of the principal of, premium, if any, and interest on the Series 2009A Bonds according to their tenor and effect and to secure the performance and observance by the Issuer of the covenants expressed in the Indenture and in the Series 2009A Bonds, in and to the following (the "Trust Estate") which will consist of:

(a) all the right, title and interest of the Issuer in and to the Loan Agreement (except for Unassigned Rights), and any similar agreement between the Issuer and the Lessee and all extensions and renewals of the terms thereof, if any, and all amounts encumbered thereby, including, but without limitation, the present and continuing right to make claim for, collect, receive and make receipt for payments and other sums of money payable, receivable or to be held thereunder, to bring any actions and proceedings thereunder or for the enforcement thereof, and to do any and all other things that the Issuer is or may become entitled to do under the foregoing as long as no Event of Default has occurred and is continuing under the Indenture;

(b) all the right, title and interest of the Issuer in and to all cash proceeds and receipts arising out of or in connection with the sale of the Series 2009A Bonds, all payments received under the Guaranty, and all moneys held by the Trustee in the funds created under the Indenture (other than the Rebate Fund), including the Revenue Fund, the Bond Fund, the Redemption Fund relating to Additional Bonds, the Insurance Fund, the Condemnation Fund, the Issuance Cost Fund, the Operating Fund, the Repair and Replacement Fund, the 2009A Refunding Fund, [the Debt Service Reserve Fund] and the Budgeted Parties Annual Expense Fund created thereunder, and all moneys held by the Trustee as special trust funds derived from insurance proceeds, condemnation awards or from any other source;

(c) all the right, title and interest of the Issuer in and to all moneys and securities and interest earnings thereon from time to time delivered to and held by the Trustee under the terms of the Indenture, except for moneys and securities on deposit from time to time in the Rebate Fund, and all other rights of every name and nature and any and all other property from time to time hereafter by delivery or by writing of any kind conveyed, mortgaged, pledged, assigned or transferred as and for additional security thereunder by the Issuer or by anyone on its behalf or with its written consent to the Trustee;

(d) all other property of every name and nature from time to time by delivery or by writing, mortgaged, pledged, delivered or hypothecated as and for additional security under the Indenture by the Issuer or anyone on its behalf or with its consent or by the Lessee in favor of the Trustee; and

(f) all right, title and interest of the Issuer in and to all proceeds (cash and noncash) of any or all of the foregoing, including without limitation all inventory, accounts, chattel paper, documents, equipment, instruments, farm products, consumer goods and general intangibles constituting proceeds acquired with cash proceeds of any or all of the foregoing.

Under the Indenture, upon the occurrence of an Event of Default, the rights of the owners of the Series 2009A Bonds to the Trust Estate, to the extent provided for, are subject to a prior lien to secure the payment of all fees and expenses of the Trustee, and the Trustee may apply moneys received by it pursuant to any action taken by it in accordance with the Indenture in connection with such Event of Default to the payment of the costs and expenses of the proceedings resulting on the collection of such moneys and to the payment of the expenses, liabilities and advances incurred or made by the Trustee prior to its applying such moneys to the payment of principal of, and premium, if any, and interest on, the Series 2009A Bonds.

Unless an Event of Default occurs and continues, the Lessee is permitted to possess and use the hereinafter defined Security (except cash, securities and other personal property deposited with the Trustee) and receive and use the revenues, issues, profits and other income of the Security (except cash, securities and other personal property required to be deposited with the Trustee).

The Trustee will also be the mortgagee under the Leasehold Mortgage.

Guaranty

The Foundation will execute a document that will guarantee to the Trustee all of the Lessee's payment obligations under the Bond Documents (whether regularly scheduled or by prepayment) on or prior to the date by which the Lessee has fully satisfied all of its payment obligations that become due and payable under the Bond Documents. Amounts payable under the Guaranty are limited to \$31,307,887.68 and \$1,120,550.00 in any one Bond Year. See "SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS—THE GUARANTY" in Appendix B hereto. Information concerning the Foundation can be found under the heading "THE FOUNDATION" herein.

Additional Bonds

Any Additional Bonds shall be equal, without preference or priority, to the lien and security interest provided for the Series 2009A Bonds.

Operations of the University

Student Enrollment. The following schedule indicates the Fall Semester head count and full-time-equivalent enrollment at the University for each of the last five academic years. The full-time enrollment calculation is made in accordance with the method used by the United States Department of Education. Unless otherwise noted, the source for all of the following information is the University.

Academic Year	Undergraduate	Graduate	First Professional	Total Head Count	Full-Time Equivalent*
2004-05	14,933	4,926	1,866	21,725	16,053

2000-01	14,477	4,458	1,833	20,768	14,612

*Full-time and part-time enrollment equated to full-time enrollment.

Approximately 11% of the undergraduate students enrolled in the University are nonresidents of Kentucky, and it is anticipated that the percentage of nonresident enrollments will remain at this level in future years. Using regional and national surveys of future college age population and historic enrollment data, and taking into consideration the policies of the Kentucky Council for Postsecondary Education relating to enrollment requirements which limit enrollment, the University has projected that enrollment will remain at its current level through academic year 2008. Although enrollment is expected to be limited, the University does expect to increase the portion of those students who live in campus residences.

THE GROUND LEASE

General

The Ground Lease is dated as of July 1, 2002 and is between the Commonwealth for the use and benefit of the University, as lessor (the “Ground Lessor” or the “Lessor”) and Lessee. The term of the leasehold estate created by the Ground Lease will commence on July 1, 2002 (the “Commencement Date”) and expire on the day immediately preceding the fortieth anniversary of the Commencement Date unless otherwise extended or sooner expired or terminated in accordance with the terms of the Ground Lease or by operation of law. The Ground Lease is a “net lease,” and the University is to receive all payments required to be made by the Lessee free from any setoffs, recoupments or deductions of any kind. The Lessee agrees to maintain and operate the Project as a student housing facility for the University.

Certain Definitions

It should be noted that the definitions set forth below pertain only to this section entitled “THE GROUND LEASE” and are not intended to replace the definitions set forth and used in any other section of this document.

“*Lease Year*” means each 12-month period commencing on the first day of July of a given year and ending on the last day of June of the following year.

“*Leasehold Estate*” means the leasehold estate of the Lessee in the Property created under the Ground Lease.

“*Leasehold Mortgage*” means the initial Leasehold Mortgage to the Credit Facility Issuer and any Refinance Mortgage and any other encumbrance of the Lessee’s interest in the Ground Lease as security for any indebtedness Lessee or Lessee’s successors and assigns may incur, whether by mortgage or other security instrument.

“*Net Available Cash Flow*” for each Lease Year means the amount transferred from time to time to the Lessee from the Surplus Fund created under the Indenture.

“*Refinance Mortgage*” means any Leasehold Mortgage which secures any indebtedness incurred to refinance the indebtedness initially secured by the Leasehold Mortgage.

“*Tax-Exempt Status*” means generally that the Lessee is a 501(c)(3) corporation and is exempt from federal income tax under Section 501(a) of the Code.

Amendments and Modifications

The Lessee or the Ground Lessor shall not cancel, surrender or modify the Ground Lease without the prior written consent of any Leasehold Mortgagee. There shall be no material modification in the Leasehold Mortgage or related documentation without the Ground Lessor's prior written consent.

Operation and Management

Upon completion of construction of the Project, the Lessee shall operate the Project as a student housing facility to serve resident students of the University. The University has further agreed that, prior to the acquisition, construction or operation of any additional student housing facilities, that its Board of Trustees (or any successor governing body) will make a reasonable finding that such acquisition, construction or operation of additional student housing will not negatively impact the occupancy of the Project during the term of the Ground Lease.

Environmental Indemnification

Lessor will acknowledge in the Ground Lease that any and all environmental conditions and contamination existing as of the effective date thereof (whether known or unknown) are the sole responsibility of the Lessor. The Lessor will release the Lessee, the Leasehold Mortgagee, anyone to

The following constitute Events of Default under the Ground Lease:

- (a) the Lessee fails to perform, following notice and any opportunity to cure, any of its other obligations under the Ground Lease; or
- (b)(i) if the Lessee is adjudicated a bankrupt; (ii) if a permanent receiver is appointed for the Lessee’s interest in the Project and such receiver is not removed within 90 days after notice from the Ground Lessor to the Lessee to obtain such removal; (iii) if the Lessee voluntarily or involuntarily takes advantage of any debtor relief proceedings under any present or future law whereby the Rent or any part thereof is reduced or payment thereof deferred and said proceedings are not dismissed within 90 days after notice from Lessor to the Lessee to obtain such dismissal; (iv) if the Lessee makes a general assignment for benefit of creditors; or (v) if the Project or the Lessee’s effects or interests therein are levied upon or attached under process against the Lessee, and the same is not satisfied or dissolved within 90 days after notice from Lessor to the Lessee either to (A) obtain satisfaction or dissolution thereof, or (B) take reasonable efforts to cure within 90 days and diligently pursue the dissolution or satisfaction thereof.

Remedies

Subject to the provisions of the Ground Lease relating to the rights of the Leasehold Mortgagee, upon the occurrence of an Event of Default and the expiration of the applicable cure period, the Lessor may pursue any remedy available under the laws of the Commonwealth of Kentucky, including, without limitation, the following:

- (i) Terminate the Ground Lease immediately upon written notice thereof to the Lessee, and thereafter, without legal process, enter upon and take possession and control of the Premises to the complete exclusion of the Lessee. The Lessor may also demand, collect and retain all rents due from tenants occupying the Premises and the Lessor may otherwise treat and occupy the Premises as if the Ground Lease had expired of its own limitation.
- (ii) As the Lessee’s legal representative, without terminating the Ground Lease, relet the Premises upon obtaining the written consent of the Leasehold Mortgagee.

Limitations on Termination Rights of Lessor

The Ground Lease grants the Leasehold Mortgagee an additional 90 days to cure any Event of Default under the Ground Lease. If, following the expiration of all applicable cure periods, the Lessor

elects to terminate the Ground Lease, the Leasehold Mortgagee will have the right to postpone and extend the date of termination as fixed by the provisions of the Ground Lease for a period of not more than six (6) months from the expiration of the ninety (90) day cure period described above, provided that the Leasehold Mortgagee shall pay the Rent and other charges required to be paid under the Ground Lease during such period, and provided further, that the Leasehold Mortgagee of the Ground Lease shall forthwith take steps necessary to acquire the Lessee's interest and estate in the Ground Lease by foreclosure of its Leasehold Mortgage, or otherwise, and shall prosecute such action to completion with due diligence. Such six (6) month period shall be extended for such period as shall be reasonably necessary to complete these steps with reasonable diligence and continuity.

Mortgagee Lease

The Lessor has agreed that in the event of a termination of the Ground Lease by reason of any default by the Lessee, the Leasehold Mortgagee shall have the option, but not the obligation, to enter into a lease (hereinafter referred to as a "Mortgagee Lease") of the Project with the Lessor for the remainder of the term of the Ground Lease effective as of the date of termination, at the same Rent and upon the same terms, provisions, covenants and agreements as contained in the Ground Lease and subject to no additional exceptions or encumbrances other than the Permitted Exceptions (and any additional exceptions or encumbrances created or consented to by Lessor) and to the rights, if any, of the parties then in possession (actual or constructive) of any part of the Project.

Ownership of Project

Title to the real estate upon which the Project is located is vested in the Lessor. Subject to the terms and conditions of the Ground Lease, the title to all Improvements, Furnishings and Equipment located on the Land shall be vested in the Lessee until termination of the Ground Lease, at which time all title to and ownership of them automatically and immediately shall vest in the Lessor.

Rental Agreements

The Ground Lease incorporates the Student Marketing Plan which sets forth (a) the Lessee's obligation to enter into Rental Agreements only with students and faculty of the University, and other colleges and universities affiliated therewith which are 501(c)(3) corporations under the Code, (b) the form and content of the Rental Agreement to be used, (c) the permitted duration of the Rental Agreements, (d) the permitted rents to be charged under the Rental Agreements and (e) the Student Marketing Plan that the Lessee shall implement.

Parking License

The Lessor will agree, in the Ground Lease, to grant to the Lessee a license for the term of the Ground Lease for a minimum of seven hundred fifty (750) parking spaces in the University parking area most immediately adjacent to the Project for the use of the occupants and staff of the Project. In the event the parking needs of the Project are less than the seven hundred fifty (750) spaces, the Lessee will temporarily release such spaces, from time to time, and the obligation of the Lessor to provide the maximum number of spaces to the Lessee shall renew on an annual basis at the beginning of each Lease Year.

TAX EXEMPTION

Series 2009A Bonds

In the opinion of Stites & Harbison, PLLC, Louisville, Kentucky, as Bond Counsel, under existing law, as presently enacted and construed, interest on the Series 2009A Bonds is excluded from the gross income for federal income tax purposes assuming the accuracy of the certifications of the Issuer and the Lessee and assuming continuing compliance by the Issuer and the Lessee with the requirements of the Code. Interest on the Series 2009A Bonds will not be an item of tax preference for purposes of determining alternative minimum taxable income for individuals and corporations, but interest on Series 2009A Bonds will be taken into account in determining the alternative minimum tax for certain corporations and in computing the environmental tax imposed on certain corporations. Interest on Series 2009A Bonds held by foreign corporations may be subject to the branch profits tax imposed by the Code.

Ownership of the Series 2009A Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry the Series 2009A Bonds. Prospective purchasers of the Series 2009A Bonds should consult their tax advisors as to collateral federal income tax consequences.

Under the laws of the Commonwealth as presently enacted and construed, the Series 2009A Bonds and the interest thereon are exempt from income and ad valorem taxation by the Commonwealth and any of its political subdivisions. The Series 2009A Bonds are not exempt from estate or inheritance taxes or any taxes on financial institutions measured by income or any other taxes not levied or assessed directly on the Series 2009A Bonds, the interest thereon, their transfer or the income therefrom.

Bank Qualified

The Issuer has represented that it does not reasonably anticipate issuing greater than \$30,000,000 of tax-exempt obligations in calendar year 2009 (excluding certain private activity and refunding bonds) and that it has designated the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code. Accordingly, Bond Counsel is of the opinion that in the case of certain banks, thrift institutions or other financial institutions owning the Bonds, a deduction is allowed for 80% of that portion of such institutions’ interest expense allocable to interest on the Bonds. Bond Counsel has expressed no opinion with respect to any deduction for federal tax law purposes of interest on indebtedness incurred or continued by a holder of the Bonds or a related person to purchase or carry the Bonds.

The forms of Bond Counsel’s approving opinions are included as Appendix C hereto.

LITIGATION

There is no litigation now pending or threatened against the Issuer, of which the Issuer has knowledge, which restrains or enjoins the issuance or delivery of the Series 2009A Bonds or questions or affects the validity of the Series 2009A Bonds or the proceedings and authority under which they are to be issued. To the Issuer’s knowledge, neither the creation, organization or existence of the Issuer, nor the title of the present members or other officers of the Issuer to their respective offices, is being contested or questioned. There is no litigation now pending or threatened against the Issuer, of which the Issuer has knowledge, which in any manner questions the right of the Issuer to enter into the Indenture or the Loan

Agreement or to secure the Series 2009A Bonds in the manner provided in the Indenture. There is no litigation now pending or threatened against the Lessee, of which the Lessee has knowledge, which in any manner questions the right of the Lessee to enter into or perform its obligations under the Ground Lease, the Loan Agreement or the Leasehold Mortgage.

LEGAL MATTERS

Certain legal matters pertaining to the Issuer and its authorization and issuance of the Series 2009A Bonds are subject to the approving opinions of Stites & Harbison, PLLC, Bond Counsel. The forms of the approving opinions of Stites & Harbison, PLLC are included as Appendix C hereto. Certain legal matters will be passed upon for the Issuer by its counsel, James T. Carey, Esq., Assistant County Attorney; for the Lessee by its counsel, Greenebaum Doll & McDonald PLLC, Louisville, Kentucky; for A&O by Martin, Tate, Morrow & Marston, P.C.; and for the Underwriter by Kutak Rock LLP, Omaha, Nebraska. The fees of Bond Counsel and Underwriter's Counsel are contingent on issuance of the Series 2009A Bonds.

RATING OF THE SERIES 2009A BONDS

S&P is expected to assign the Series 2009A Bonds a rating of “_____”. An explanation of the significance of such ratings may be obtained from S&P. S&P was furnished with the information contained in a preliminary form of this Official Statement and other information. Generally, ratings agencies base their rating on such materials and information, as well as their own investigation, studies and assumptions. The ratings reflect only the views of S&P, and neither the Lessee, the Issuer, nor the Underwriter makes any representation as to the appropriateness of the ratings.

It should be noted that there is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if in the judgment of such rating agency, circumstances warrant such action. Any such downward revision or withdrawal of such rating may have an adverse affect on the market price of the Series 2009A Bonds.

CONFLICTS OF INTEREST

As indicated herein, Stites & Harbison, PLLC, Louisville, Kentucky, Bond Counsel, also is serving as counsel to the Foundation in connection with the delivery of its Guaranty and as counsel to the University and the Lessee.

(the “Underwriter”), has entered into a Bond Purchase Agreement with the Issuer and the Lessee, to purchase the Series 2009A Bonds at a purchase price of \$_____ (net of compensation to the Underwriter in connection with the Series 2009A Bonds in the form of the discount in the amount of \$_____). The obligation of the Underwriter to purchase and to sell the Series 2009A Bonds will be subject to various conditions contained in the Bond Purchase Agreement, including the receipt of a rating on the Series 2009A Bonds of at least “_____” from S&P.

The Underwriter is purchasing the Series 2009A Bonds and intends to offer the Series 2009A Bonds to the original purchasers thereof at the offering prices set forth on the cover page of this Official Statement, which offering price may subsequently be changed without any requirement of prior notice. The Underwriter has reserved the right to permit other securities dealers who are members of the National Association of Securities Dealers, Inc. to assist in selling the Series 2009A Bonds. The Underwriter may offer and sell Series 2009A Bonds to certain dealers at prices lower than the public offering price or

otherwise allow concessions to such dealers who may re-allow concessions to other dealers. Any discounts and/or commissions that may be received by such dealers in connection with the sale of the Series 2009A Bonds will be deducted from the Underwriter's discount.

The Lessee has agreed to indemnify the Underwriter against certain civil liabilities, including certain liabilities under federal securities laws. Under existing statutes, regulations, and court decisions, the enforceability of such an agreement to indemnify is uncertain.

CONTINUING DISCLOSURE

It has been determined that no financial or operating data concerning the Issuer is material to any decision to purchase, hold or sell the Series 2009A Bonds, and the Issuer will not provide any such information. The Lessee has undertaken all responsibilities for any continuing disclosure to Bondholders as described below, and the Issuer shall have no liability to Bondholders or any other person with respect to such disclosures.

The Lessee will undertake in a Continuing Disclosure Agreement dated as of December 1, 2009 (the "Continuing Disclosure Agreement") between the Lessee and the Trustee, as Trustee and dissemination agent, to comply with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "SEC"), by providing certain annual financial information and operating data and event notices required by the Rule. Such information is to be filed with all Nationally Recognized Municipal Securities Information Repositories ("NRMSIRs") and to any Kentucky qualifying state information depository that may be created. Such undertaking requires the Lessee to provide only limited information at specified times.

As of the date of this Official Statement, no state information depository ("SID") has been created for Kentucky. If, however, a SID is hereafter created for Kentucky, the Lessee is obligated to make filings and provide notices to the SID as required by the Rule. Investors and other interested parties may contact any NRMSIR for additional information concerning its services. The Lessee makes no representation as to the scope of the services provided to the secondary market by any NRMSIR or as to the costs for the provision of such services by any NRMSIR.

In the event of any failure of the Lessee to provide the required continuing disclosure, any Bondholder may bring an action seeking specific performance of the Lessee's obligations to provide continuing disclosure. No assurance can be given as to the outcome of any such proceeding.

Failure by the Lessee to comply with the continuing disclosure obligations in the Continuing Disclosure Agreement will not be an "Event of Default" under the Leasehold Mortgage, the Loan Agreement, the Indenture or under any other Bond Document, and the sole and exclusive remedy for such failure shall be an action brought by or on behalf of the holders of the Series 2009A Bonds to compel specific performance of the Lessee's continuing disclosure obligations, as described above.

The proposed form of Continuing Disclosure Agreement is attached hereto as Appendix E.

Removal of Equipment

If no Event of Default under the Loan Agreement shall have occurred and be continuing, in any instance where the Lessee in its discretion shall determine that any items of Equipment or parts thereof shall have become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Lessee will be permitted to remove such items of Equipment or parts thereof from the Premises and, on behalf of the Issuer, sell, trade in, exchange or otherwise dispose of them (as a whole or in part), provided that the Lessee will be required either:

(a) to substitute and install anywhere in the Buildings or on the Premises items of replacement equipment or related property having equal or greater value or utility (but not necessarily having the same function) in the operation of the Project for the purpose for which it is intended, provided such removal and substitution will not impair the nature of the Project, all of which replacement equipment or related property will be free of all liens, security interests and encumbrances (other than Permitted Encumbrances), will become subject to the lien and security interest of the security documents described in the Loan Agreement or the Indenture on the same terms and conditions as the items originally constituting Equipment; or

(b) not to make any such substitution and installation, unless in the case of (i) the sale of any such Equipment, (ii) the trade-in of such Equipment for other machinery, furnishings, equipment or related property not to become part of the Equipment or to become subject to the lien and security interest of the security documents described in the Loan Agreement or the Indenture, or (iii) any other disposition thereof, the Lessee shall pay to the Trustee the proceeds of such sale or disposition or an amount equal to the credit received upon such trade-in for deposit into the Redemption Fund. In the case of the sale, trade-in or other disposition of any such Equipment to the Lessee or an Affiliate, the Lessee will be required to pay to the Trustee an amount equal to the greater of the amounts received therefor or the fair market value thereof at the time of such sale, trade-in or other disposition for deposit into the Redemption Fund.

In the event that prior to such removal and disposition of items of Equipment from the Buildings and the Premises, the Lessee, on behalf of the Issuer, shall have acquired and installed machinery, furnishings, equipment or related property with its own funds that becomes part of the Equipment and subject to the lien and security interest of the security documents described in the Loan Agreement or the Indenture and that has equal or greater utility, but not necessarily the same functions, as the Equipment to be removed, the Lessee may take credit to the extent of the amount so spent by it against the requirement that it either substitute and install other machinery and equipment having equal or greater value or that it make payment to the Trustee for deposit into the Redemption Fund.

The Lessee will be required to report to the Trustee promptly each such removal, substitution, sale or other disposition and will be required to pay to the Trustee such amounts as are described above under this subheading to be paid into the Redemption Fund promptly after the sale, trade-in or other disposition requiring such payment, provided that no such report and payment will be required to be made until the amount to be paid into the Redemption Fund on account of all such sales, trade-ins or other dispositions not previously reported equals, in the aggregate, at least \$50,000 in any Fiscal Year. Any funds deposited into the Redemption Fund in any of the circumstances described above will be required to be used by the Trustee to redeem Bonds pursuant to the optional redemption provisions described under “THE SERIES 2009A BONDS—Redemption of Series 2009A Bonds—Other Redemptions at Par” in the Official Statement.

Taxes and Utility Charges

The Lessee will agree to pay, as the same become due, (a) all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project or any machinery, equipment, furnishings or other property installed by the Lessee thereon that, if not paid, would become a lien on the Project or a charge on the General Revenues including all ad valorem taxes or payments in lieu of such taxes lawfully assessed upon the Project, (b) all utility and other charges incurred in the ownership, operation, maintenance, use, occupancy and upkeep of the Project, and (c) all assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the Project; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of

years, the Lessee shall be obligated to pay only such installments as are required to be paid during the term of the Loan Agreement.

If the Lessee shall first notify the Trustee of its intention so to do, the Lessee will be permitted, at its own expense and in good faith, to contest any such taxes, assessments or other charges and, in the event of any such contest, to permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom, provided the Lessee shall furnish the Trustee with a bond or cash deposit equal to at least the amount so contested plus any interest or penalties that might be payable as a result of any late payment, which, in the case of cash, will be required to be placed into an account with the Trustee and held for the purposes described in this paragraph, and an opinion of Independent Counsel stating that by nonpayment of any such items the liens of the Lessee Documents will not be materially endangered and neither the Project nor any material part thereof will be subject to imminent loss or forfeiture. The proceeds of such bond or cash deposit may be used by the Trustee to satisfy the lien if action is taken to enforce the lien and such action is not stayed. Such bond or cash deposit will be returned to the Lessee if the taxes, assessments or charges are successfully contested. If the Lessee shall be unable or otherwise fail to obtain such a bond or provide such a cash deposit and an opinion of Independent Counsel, such taxes, assessments or charges will be required to be satisfied and discharged promptly by payment thereof.

Insurance

The Lessee will agree to keep the Project or cause the same to be continuously insured against such risks as are customarily insured against with respect to facilities of like size and type, including, but not limited to, the following:

(a) insurance upon the repair or replacement basis in an amount of not less than 100% of the then actual cost of replacement (excluding costs of replacing excavations and foundations but without deduction for depreciation) of the Project (with deductible provisions not to exceed \$10,000 per casualty) against loss or damage by fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircraft, vehicles and smoke and such other risks as are now or hereafter included in the uniform standard extended coverage endorsement in common use for similar structures (including vandalism and malicious mischief);

(b) business interruption insurance (also referred to as "business income" or "loss of rents insurance") covering loss of revenues and other income by the Lessee by reason of total or partial suspension of, or interruption in, the operation of the Project caused by damage or destruction of the Project in an amount not less than the Maximum Annual Debt Service on the Bonds;

personal injury protection and uninsured motorist protection in the minimum statutory limits where required by law;

(e) insurance under the Federal Flood Insurance Program is required to be maintained at all times within the minimum requirements and amounts required for federally financed or assisted loans under the Flood Disaster Protection Act of 1973, as amended, if the Project is eligible under such program;

(f) workers' compensation coverage or other similar coverage covering all of the Lessee's employees on the Premises, as required by the laws of the Commonwealth, including, with respect to workers' compensation insurance, the policy must include Coverage B—Employer's liability limits of: bodily injury by accident—\$500,000 each accident; and bodily injury by disease—\$500,000 each employee. The Lessee will be required to require all subcontractors performing work under the Ground Lease to obtain an insurance certificate showing proof of workers' compensation insurance;

(g) [Not Used.]

(h) to the extent that the Project contains a steam boiler, pressure vessels or pressure piping, boiler explosion insurance on steam boilers, if any, pressure vessels and pressure piping in an amount not less than 100% of the then actual cost of replacement (excluding costs of replacing excavations and foundations but without deduction for depreciation) of the Project (with deductible provisions not to exceed \$10,000 per occurrence), provided that such insurance need not be taken out until steam boilers, pressure vessels or pressure piping are installed in the Project;

(i) fidelity bonds or employee dishonesty insurance in an amount of not less than \$100,000 for all officers, agents and employees of the Lessee with the responsibility of handling General Revenues; and

(j) additional umbrella or all risk coverage in an amount of not less than \$20,000,000 in the aggregate, which shall include all coverages required by (c), (d) and (f) above.

Proceeds of insurance required by (a), (e), and (h) in excess of \$250,000 will be paid to the Trustee and disbursed by it. See "Destruction and Damage" herein. The Loan Agreement will require that all policies of insurance provide for payment to the Issuer, the Lessee and the Trustee as their respective interests may appear, the policies required by (c), (d) and (i) name the Trustee, the Issuer and Ground Lessor as additional insureds and that the policies required by (a), (e) and (h) name the Trustee as mortgagee and loss payee.

Advances by the Issuer or the Trustee

If the Lessee shall fail to make any payment or perform any act required of it under the Loan Agreement, the Issuer or the Trustee will be permitted (but shall be under no obligation), after notifying the Lessee of its intention to do so and at the expiration of any applicable cure period, to make such payment or perform such act. All amounts so paid by the Issuer or the Trustee and all costs, fees and expenses so incurred will be payable as an additional obligation under the Loan Agreement, together with interest thereon from the date of payment at the Prime Rate and the payment of which shall be secured as applicable. Any remedy in the Loan Agreement vested in the Issuer or the Trustee for the collection of the Loan Payments will also be available to the Issuer and the Trustee for the collection of all such amounts so advanced. The Trustee will be under no obligation to make any such payment unless it shall

be requested to do so by the owners of at least 25% in aggregate principal amount of all Bonds then Outstanding and shall be provided with adequate funds paid in cash to the Trustee (from a source or sources approved by the Trustee) for the purpose of such payment.

Destruction and Damage

In the event that the Project shall be destroyed or damaged (in whole or in part) by fire or other casualty, the Lessee will, unless the Bonds are paid in full from the Net Proceeds of insurance resulting from such destruction or damage, be obligated to continue to make the Loan Payments and will not be entitled to any postponement, abatement or diminution thereof.

If such Net Proceeds of insurance shall be less than \$250,000, the Lessee shall notify the Trustee and all such insurance proceeds will be paid to the Lessee and the Lessee will be required to repair, replace, rebuild, restore and/or reequip the Project promptly to substantially the same condition thereof as existed prior to the event causing such destruction or damage with such changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Lessee and as will not impair the value or the character of the Project. In the event the Net Proceeds shall not be sufficient to pay in full the costs of any such repair, replacement, rebuilding, restoration and reequipping, the Lessee will be required nonetheless to complete said work and to pay that portion of the costs thereof in excess of the amount of said Net Proceeds.

If such Net Proceeds of insurance shall be in excess of \$250,000, all such insurance proceeds will be paid to the Trustee and deposited and held in the Insurance Fund to be applied as fully as practicable in one or more of the following ways as shall be directed in writing by the Lessee within 60 days from the date of such deposit:

- (a) such Net Proceeds may be applied to the restoration of the Project; or
- (b) such Net Proceeds may be applied to the acquisition of other suitable land and the acquisition, by construction or otherwise, to the extent permitted by applicable law, of improvements consisting of a building or buildings, facilities, furnishings, machinery, equipment or other properties suitable for the Lessee's operations at the Project as conducted prior to such destruction or damage (which improvements will be deemed a part of the Project and available for use and occupancy by the Lessee without the payment of any Loan Payments other than as provided in the Loan Agreement to the same extent as if such improvements were specifically described therein and will be required to be acquired by the Lessee subject to no liens, security interests or encumbrances prior to or on a parity with the liens and security interest of the security documents described in the Loan Agreement or the Indenture, other than Permitted Encumbrances); or
- (c) such Net Proceeds may be transferred to the Redemption Fund to be applied to the redemption of Bonds pursuant to the provisions of the Indenture described in the Official Statement under the heading "THE SERIES 2009A BONDS—Redemption of Series 2009A Bonds—Extraordinary Optional Redemption," provided that no part of such Net Proceeds may be applied to a redemption of the Bonds in whole unless the requirements of the Loan Agreement relating to prepayment in full upon destruction or damage described in this Appendix B under the heading "Option and Obligation To Prepay the Loan Payments" have been met; or
- (d) such Net Proceeds may be applied in some combination permitted by the foregoing clauses (a), (b) and (c).

Any balance of such Net Proceeds remaining after application pursuant to the foregoing clause (c) will either (a) be transferred to the Redemption Fund to be applied to the redemption of Bonds that are Outstanding on the date of such transfer on a pro rata basis pursuant to the provisions of the Indenture described in the Official Statement under the heading “THE SERIES 2009A BONDS—Redemption of Series 2009A Bonds—Other Redemptions at Par,” or (b) if no Bonds then remain Outstanding, be paid to the Lessee.

Condemnation

In the event that title to or the temporary use of the Project or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any Person acting under governmental authority, the Lessee will, unless the Bonds are paid in full from the award made in such eminent domain proceedings, be obligated to continue to make the Loan Payments specified in the Loan Agreement and shall not be entitled to any postponement, abatement or diminution thereof. Except for Net Proceeds received by the Lessee for the condemnation of property not included in the Project, the Issuer, the Lessee and the Trustee will be required to cause the Net Proceeds received by them or any of them from any award made in such eminent domain proceedings to be paid to the Trustee and held in the Condemnation Fund, to be applied as fully as practicable in one or more of the following ways as shall be directed in writing by the Lessee within 60 days from the date of any such deposit:

(a) to the restoration of the Project; or

(b) to the acquisition of other suitable land and the acquisition, by construction or otherwise, to the extent permitted by applicable law, of improvements consisting of a building or buildings, facilities, furnishings, machinery, equipment or other properties suitable for the Lessee’s operations at the Project as conducted prior to such taking (which improvements will be deemed a part of the Project and available for use and occupancy by the Lessee without the payment of any Loan Payments other than as provided in the Loan Agreement to the same extent as if such improvements were specifically described therein and will be required to be acquired by the Lessee subject to no liens, security interests, or encumbrances prior to or on a parity with the liens and security interest of the security documents described in the Loan Agreement, other than Permitted Encumbrances; or

(c) to the redemption of Bonds pursuant to the provisions of the Indenture described in the Official Statement under the heading “The Series 2009A Bonds—Redemption—Extraordinary Optional Redemption,” provided that no part of any such Net Proceeds may be applied to a redemption of the Bonds in whole unless the requirements of the Loan Agreement relating to prepayment in full upon condemnation in this Appendix B under the heading “THE LOAN AGREEMENT—Option and Obligation To Prepay the Loan Payments” have been met; or

(d) in some combination described in the foregoing paragraphs (a), (b) and (c).

Any balance of the Net Proceeds of the award in such eminent domain proceedings remaining after application pursuant to the immediately preceding paragraph will either (a) be transferred to the Redemption Fund to be applied to the redemption of Bonds that are Outstanding on the date of such transfer on a pro rata basis pursuant to the provisions of the Indenture described in the Official Statement under the heading “THE SERIES 2009A BONDS—Redemption of Series 2009A Bonds—Other Redemptions at Par,” or (b) if no Bonds then remain Outstanding, be paid to the Lessee.

Option and Obligation To Prepay the Loan Payments

The Lessee will have the option to prepay the Loan Payments in full or in part prior to the full payment of all of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) under the following circumstances:

(a) in full if the Project shall be destroyed or damaged to such an extent that, in the opinion of a Consulting Architect expressed in a certificate filed with the Issuer and the Trustee, (i) the Project cannot reasonably be restored within a period of 12 months to the condition thereof immediately preceding such destruction or damage, or (ii) Lessee is thereby prevented from carrying on its normal operations therein for a period of 12 consecutive months, or (iii) the cost of restoration or replacement would exceed the net proceeds of insurance payable in respect of such destruction or damage by more than \$250,000;

(b) in full if title to, or the temporary use of, a substantial portion of the Project shall be taken under the exercise of the power of eminent domain by any governmental authority or person, firm, or corporation acting under governmental authority to such extent that, in the opinion of a Consulting Architect expressed in a certificate filed with the Issuer and the Trustee, (i) the Project cannot be reasonably restored or replaced within a period of 12 months to substantially the condition thereof immediately preceding such taking, or (ii) in the Lessee being thereby prevented from carrying on its normal operations therein for a period of 12 consecutive months, or (iii) the cost of restoration or replacement would exceed the total amount of compensation for such taking by more than \$250,000; or

(c) in part in the event of partial condemnation or destruction of, or partial damage to, the Project from the Net Proceeds received by the Lessee as a result of such taking, damage, or destruction to the extent not used for the restoration of the Project or for the acquisition of substitute property suitable for the Lessee's operations at the Project as were conducted prior to such taking, damage or destruction if the Lessee furnishes to the Issuer and the Trustee (i) a certificate of a Consulting Architect stating (A) that the property forming a part of the Project that was taken, damaged or destroyed is not essential to the Lessee's use or occupancy of the Project at substantially the same revenue-producing level prior to such taking, destruction or damage, or (B) that the Project has been restored to a condition substantially equivalent to its condition prior to such taking, damage or destruction, or (C) that the Lessee has acquired other suitable land and has acquired, by construction or otherwise, improvements consisting of a building or buildings, facilities, furnishings, machinery, equipment or other properties that are substantially equivalent to the property forming a part of the Project that was taken, destroyed or damaged, or (ii) a written report of a Financial Consultant that the Fixed Charges Coverage Ratio for each of the two (2) Fiscal Years following the Fiscal Year following such taking, destruction, or damage will not be less than the lesser of (1) 1.00 and (2) the average Fixed Charges Coverage Ratio for the two (2) most recent Fiscal Years prior to such taking, destruction or damage for which audited financial statements are available.

In the case of the occurrence of any of the events described in the immediately preceding paragraph, the Lessee, if it exercises its option to prepay the Loan Payments, will be required to prepay the Loan Payments within 180 days after such event.

To exercise such option, the Lessee will be required, within 60 days following the event authorizing the exercise of such option, to give written notice of the exercise of such option to the Issuer and to the Trustee and to specify therein the date of tender of such prepayment, which date may not be

less than 45 nor more than 120 days from the date such notice is mailed, and will be required make arrangements satisfactory to the Trustee for the giving of the required notice of redemption.

The amount payable by the Lessee in the event of its exercise of such option to prepay the Loan Payments in full will be the sum of the following:

(a) an amount of money that, when added to the amount then on deposit in the Bond Fund and the Redemption Fund, will be sufficient to retire and redeem all the then Outstanding Bonds on the applicable redemption date provided by the Indenture, including, without limitation, principal, all interest to accrue to said redemption date, and redemption expense, but without premium, plus

(b) an amount of money equal to the Trustee's and paying agents' fees and expenses, including reasonable attorneys' fees and expenses, under the Indenture accrued and to accrue until such final payment and redemption of the Bonds, plus

(c) an amount of money equal to the Issuer's reimbursable expenses under the Loan Agreement accrued and to accrue until such final payment and redemption of the Bonds.

The amount payable by the Lessee in the event of its exercise of such option to prepay the Loan Payments in part will be the sum of the following:

(a) an amount of money that, when added to the amount then on deposit in the Bond Fund and the Redemption Fund, will be sufficient to retire and redeem the Series 2009A Bonds that are to be redeemed on the applicable redemption date provided by the Indenture, including without limitation, principal, all interest to accrue to said redemption date, and redemption expense, but without premium, plus

(b) an amount of money equal to the Trustee's and paying agents' fees and expenses, including reasonable attorneys' fees and expenses relating to such redemption, plus

(c) an amount of money equal to the Issuer's reimbursable expenses under the Loan Agreement relating to such redemption.

Financial Statements

While the Loan Agreement is in effect, the Lessee will be required to provide the Issuer and the Trustee annually, within 180 days after the end of each Fiscal Year beginning with the Fiscal Year ending June 30, 2005, the financial statements of the Lessee related to the Project, including its balance sheet, statement of revenue, expenses, and changes in fund balance (deficit), and statement of cash flow, for the year then ended in comparative form for the preceding Fiscal Year, which financial statements will be required to be accompanied by an Audit Report.

Covenants Regarding Maintenance of Lessee's Status

The Lessee will be required (i) to maintain its legal existence as a nonprofit corporation organized under the laws of the Commonwealth, (ii) to maintain its legal existence as a Tax-Exempt Organization, (iii) (except as permitted below) not to consolidate with or merge into another entity or permit another entity to consolidate with or merge into it, (iv) not to dissolve or otherwise dispose of all or substantially all of its assets, (v) to file all required reports and documents with the IRS so as to maintain its status as an organization described in Section 501(c)(3) of the Code, (vi) not to operate the Project in any manner

nor to engage in any activities or take any action that might reasonably be expected to result in the Lessee's ceasing to be a "501(c)(3) organization," within the meaning of Section 145 of the Code, (vii) to notify the Trustee and the Issuer promptly of any loss of its status as a "501(c)(3) organization" or of any investigation, proceeding, or ruling that might result in such loss of status and (viii) preserve and keep in full force and effect all licenses and permits necessary to the proper conduct of its business. The Lessee will be permitted, without violating the covenant described above, to consolidate, merge, sell or otherwise transfer to another Person all or substantially all of its assets as an entirety (and may thereafter dissolve), provided (a) such consolidation, merger, sale or other transfer does not otherwise cause an Event of Default, (b) [intentionally omitted] and (c) the surviving, resulting or transferee Person (i) shall be authorized to do business in the Commonwealth, (ii) shall be a domestic corporation, partnership or other entity, or if a natural person, is a resident of the United States of America, (iii) shall have the power to assume and shall assume in writing all of the obligations of the Lessee under the Bond Documents, (iv) shall obtain all licenses and permits required by law to operate the Project, (v) shall deliver to the Trustee an opinion of Independent Counsel to the effect that the Loan Agreement, as assumed by the surviving, resulting or transferee Person is a valid and enforceable obligation of such Person, subject only to expectations related to bankruptcy and other customary exceptions, (vi) shall deliver to the Trustee an opinion of Bond Counsel to the effect that such consolidation, merger, sale or transfer will not bring about an Event of Taxability, and (vii) shall have a fund balance or net worth, as the case may be, as reflected in the pro forma or prospective financial statements required to be furnished to the Underwriter and the Trustee pursuant to the Loan Agreement, not less than the fund balance or net worth, as the case may be, of the Lessee as reflected in the most recent audited balance sheet furnished to the Trustee pursuant to the Loan Agreement, and shall have a Fixed Charges Coverage Ratio not less than that of the Lessee for the two consecutive years prior to such consolidation, merger, sale or transfer, as determined from the surviving, resultant or transferee Person's financial statements on a pro forma basis that gives effect to such consolidation, merger, sale or transfer, which pro forma basis financial statements will be accompanied by an Audit Report and a certificate of the Accountant reporting on such historical pro forma basis financial statements stating the Fixed Charges Coverage Ratio for the periods reported on. The Lessee will covenant that it will not, and it will not permit, any of the Lessee's or its revenues, income or profits, whether realized or unrealized, will be distributed to any of its directors, or inure to the benefit of any private Person, other than for the lawful corporate purposes of the Lessee; provided, however, that the Lessee will be permitted to pay to any Person the value of any service or product performed for, or supplied to, the Lessee by such Person. The Lessee will be required to take such actions as are necessary or appropriate and within its control to take to comply with the provisions of the Code and the regulations promulgated thereunder in order to preserve the exclusion of the interest paid on the Series 2009A Bonds from the gross income of the Owners thereof for federal income tax purposes, will not be permitted to act or fail to act in any other manner that would adversely affect such exclusion, and will be obligated to preserve and keep in full force and effect all licenses and permits necessary to the proper conduct of its business.

Financial Covenants

Rate Covenant. The Lessee will be required to fix rental rates for the Project at levels sufficient to pay all Project expenses and debt service on the Series 2009A Bonds.

Annual Budget. In the Loan Agreement, the Lessee will agree that it will, at least 30 days prior to the first day of each Fiscal Year commencing with the Fiscal Year beginning July 1, 2010, prepare an Annual Budget for the immediately succeeding Fiscal Year which shall include the monthly budgeted Expenses of the Project for such Fiscal Year. If the Lessee fails to prepare the Annual Budget for any Fiscal Year, the Annual Budget for the immediately preceding Fiscal Year will continue in effect until the Annual Budget is prepared for the remainder of the applicable Fiscal Year.

To the extent that the Lessee deems it necessary at any time during any Fiscal Year, the Lessee will be required to submit a revised Annual Budget to the Issuer and the Trustee declaring that the revisions are necessary to operate or maintain the Project and setting forth the reasons therefor which revised Annual Budget will, for all purposes of the Loan Agreement, be deemed the Annual Budget for the remainder of the applicable Fiscal Year.

Promptly following preparation by the Lessee, a copy of each Annual Budget or revised Annual Budget will be furnished to the Issuer and the Trustee.

In the event the Lessee shall fail to provide such a certificate, a Financial Consultant will be employed by the Lessee to review and/or revise the Annual Budget and will certify to the Issuer and the Trustee that the Annual Budget, revised to reflect such recommendations or variations as may be presented in writing by the Financial Consultant, is reasonable.

Covenant Regarding Manager

The Lessee will agree that during the Loan Agreement Term if the initial Manager shall cease to serve as manager, the Lessee will promptly employ and at all times thereafter employ a recognized manager of student housing facilities that manages, and has for the past five years managed, at least 5,000 beds of student housing facilities. Prior to entering into a contract with any successor manager, the Lessee will be required to deliver to the Trustee an opinion of Bond Counsel to the effect that the terms of the proposed management contract will not bring about an Event of Taxability. The Lessee will agree that each management contract relative to the Project will comply with the provisions of Revenue Procedure 97-13 under the Code.

Assignment and Subleasing; Restrictions on Encumbrances

The Lessee will be permitted to enter into subleases with residents of the Project and with certain Exempt Persons as described below without complying with the provisions described below other than subparagraph (g). The rights and obligations of the Lessee under the Loan Agreement will be permitted to be assigned and delegated, and the Project will be permitted to be subleased, as a whole or in part, by the Lessee without the necessity of obtaining the consent of any of the Issuer or the Trustee, subject, however, to each of the following conditions:

(a) No assignment (other than in connection with a consolidation, merger, disposition, or transfer described above under the subheading “Covenants Regarding Maintenance of Lessee’s Status”) or sublease will relieve the Lessee from primary liability for any of its obligations under the Loan Agreement, and in the event of any such assignment or sublease, the Lessee will continue to remain primarily liable for payment of the Loan Payments and for the payment, performance and observance of the other obligations and agreements on its part in the Loan Agreement provided to be performed and observed by it.

(b) The assignee shall assume in writing the obligations of the Lessee under the Loan Agreement to the extent of the interest assigned.

(c) The Lessee shall furnish or cause to be furnished to the Issuer and the Trustee assurances reasonably satisfactory to the Issuer and the Trustee that the Project will continue to be operated as a “project,” within the meaning of the Act.

(d) No assignment or sublease with any Person may be entered into by the Lessee without the Lessee’s first furnishing to the Trustee an opinion of Bond Counsel or a ruling from

the Internal Revenue Service to the effect that such assignment or sublease will not bring about an Event of Taxability.

(e) No such assignment or sublease will give rise to a novation.

(f) The Lessee will be required, within 30 days after the execution thereof, to furnish or cause to be furnished to the Issuer and the Trustee, a true and complete copy of each such assignment or sublease, as the case may be.

(g) All subleases will be required to contain an attornment clause providing in effect that if at any time during the term of the sublease, the Trustee or the designee of the Trustee, shall become the owner of the Project, such sublessee agrees, at the election and upon demand of any owner of the Project, to attorn, from time to time, to any such owner upon the terms and conditions set forth in the sublease. Such sublessee will be required to agree, at the request of the party to whom it has attorned, to execute, acknowledge and deliver, without charge, from time to time, instruments acknowledging such attornment. The attornment clause will be required to provide that upon such attornment, the sublease shall continue in full force and effect as, or as if it were, a direct sublease between the successor and the sublessee, except that the successor landlord shall not (i) have any liability for any previous act or omission of a predecessor landlord under the sublease, (ii) be bound by any previous modification of the sublease, unless such modification or prepayment shall have been expressly approved in writing by the Issuer and the Trustee, or (iii) have any liability for refusal or failure to perform or complete landlord's work or otherwise prepare the demised premises for occupancy in accordance with the provisions of the sublease.

The Lessee will agree in the Loan Agreement that it will not directly, indirectly or beneficially sell, convey or otherwise dispose of any part of its interest in the Project during the Loan Agreement Term, permit any part of the Project or the Premises to become subject to any mortgage, lien, claim of title, encumbrance, security interest, conditional sale contract, title retention arrangement, finance sublease, or other charge of any kind, except for Permitted Encumbrances or except as otherwise permitted under the Loan Agreement, or assign, transfer or hypothecate (other than to the Trustee) any rent (or analogous payment) then due or to accrue in the future under any sublease of the Project or the Premises, except for Permitted Encumbrances or except as otherwise permitted under the Loan Agreement. See the heading "Covenants Regarding Maintenance of Lessee's Status" herein.

Covenant Regarding Subleasing of Meeting Rooms

The Lessee shall not enter into any sublease or any similar arrangement with, or otherwise permit the use of, the meeting rooms at the Project by any party other than and Exempt Person and will have submitted to it a copy of the applicable IRS Determination Letter evidencing the party's qualification as an Exempt Person.

Events of Default

The Loan Agreement provides that the occurrence of any one of the following will constitute an "Event of Default:"

(a) The Lessee's failure to pay the Basic Loan Payments required to be paid under the Loan Agreement as described in clause (i) under the subheading "Loan Payments and Other Amounts Payable—(a) Basic Loan Payments" at the times specified therein and the continuation of such failure for a period of five (5) days after notice in the manner provided in the Loan

Agreement, given to the Lessee by either the Trustee or the Issuer, that the payment referred to in such notice has not been received, or, without regard to notice, for a period of ten (10) days (eight (8) days in the case of Basic Loan Payments due in February) after any such amount becomes due, whichever occurs first.

(b) The Lessee's failure to pay the Basic Loan Payments required to be paid under clause (ii) through (v) under the subheading "Loan Payments and Other Amounts Payable—(a) Basic Loan Payments" with respect to Additional Bonds at the times specified therein and the continuation of such failure for a period set forth in the amendment or amendments hereto executed in connection with the issuance of such Additional Bonds.

(c) The Lessee's failure to pay the Basic Loan Payments required to be paid under the Loan Agreement as described in clauses (v) through (vii) under the subheading "Loan Payments and Other Amounts Payable—(a) Basic Loan Payments" at the times specified therein and the continuation of such failure to the first date thereafter on which any principal of the Bonds shall be due and payable, whether at maturity, by acceleration, call for redemption or otherwise.

(d) Any representation or warranty made by the Lessee in any statement or certificate furnished to the Issuer or the Trustee or the purchaser of any Bonds, in connection with the sale of any Bonds or furnished by the Lessee pursuant to the Loan Agreement, shall prove inaccurate in any material respect as of the date of the issuance or making thereof and shall not be corrected within 30 days after written notice specifying such inaccuracy is given to the Lessee by the Issuer, the Trustee or such purchaser. In the case of any such inaccuracy that cannot with due diligence be corrected within such 30-day period, but can be wholly corrected within a period of time not materially detrimental to the rights of the Trustee, it will not constitute an Event of Default if corrective action is instituted by the Lessee within the applicable period and diligently pursued until the inaccuracy is corrected in accordance with and subject to any directions or limitations of time established in writing by the Trustee.

(e) The Lessee's failure to perform or cause to be performed any other covenant, condition or provision of the Loan Agreement, other than as referred to in (a) or (b) above, and to correct such failure within 30 days after written notice specifying such is given to the Lessee by the Issuer or the Trustee. In the case of any such failure that cannot with due diligence be corrected within such 30-day period but can be wholly corrected within a period of time not materially detrimental to the rights of the Trustee, it shall not constitute an Event of Default if corrective action is instituted by the Lessee within the applicable period and diligently pursued until the failure is corrected in accordance with and subject to any directions or limitations of time established in writing by the Trustee.

(f) The Lessee shall (i) apply for or consent to the appointment of or the taking of possession by a receiver, custodian, trustee, or liquidator of it or of all or a substantial part of its property or of the Project, (ii) fail to promptly lift or bond (if legally permissible) any execution, garnishment, or attachment of such consequence as will impair the ability of the Lessee to carry on its operations at the Project, (iii) enter into an agreement of composition with its creditors, (iv) admit in writing its inability to pay its debts as such debts become due, (v) make a general assignment for the benefit of its creditors, (vi) commence a voluntary case under the federal bankruptcy law or any similar law in effect in a foreign jurisdiction (as now or hereafter in effect), (vii) file a petition or answer seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (viii) fail to controvert in a timely or appropriate manner or acquiesce in writing to any petition

filed against it in an involuntary case under such federal bankruptcy law or any similar law in effect in a foreign jurisdiction, or (ix) take any action for the purpose of effecting any of the foregoing.

(g) A proceeding or case shall be commenced, without the application of the Lessee, in any court of competent jurisdiction, seeking (i) the liquidation, reorganization, dissolution, winding-up or composition or adjustment of debts of the Lessee, (ii) the appointment of a trustee, receiver, custodian, liquidator or the like of the Lessee or of all or any substantial part of the assets of it, or (iii) similar relief in respect of the Lessee under any law relating to bankruptcy, insolvency, reorganization, winding-up or composition and adjustment of debts, and such proceeding or case shall continue undismissed or an order, judgment or decree approving or ordering any of the foregoing shall be entered and shall continue unvacated and unstayed and in effect for a period of 90 days, whether consecutive or not.

(h) The occurrence of an event of default under any of the Bond Documents, as defined therein including any applicable cure periods.

Remedies

Upon the occurrence and continuation of an Event of Default, the Issuer or the Trustee, as the assignee of the Issuer may at its option, to the extent permitted by law:

(a) declare all unpaid installments of Basic Loan Payments payable under the Loan Agreement for the remainder of the Loan Agreement Term to be immediately due and payable whereupon the same shall become immediately due and payable; or

(b) in the event any of the Bonds at the time shall be Outstanding and unpaid, to have access to, and to inspect, examine, and make copies of, the books and records and any and all accounts, similar data and income tax and other tax returns of the Lessee; or

(c) from time to time, to take whatever action at law or in equity or under the terms of the Bond Documents may appear necessary or desirable to collect the Loan Payments described in the Indenture under the subheading “Loan Payments and Other Amounts Payable” and other amounts due under the Loan Agreement or to enforce performance and observance of any obligation, agreement, or covenant of the Lessee under the Loan Agreement.

Any amounts collected pursuant to actions described above will be applied in accordance with the provisions of the Indenture, or if the Bonds shall have been fully paid (or provision for payment thereof shall have been made in accordance with the provisions of the Indenture) and the Lessee shall have paid the Issuer and the Trustee all other sums due and owing under the Loan Agreement, will be paid to the Lessee.

Establishment of Funds

The following trust funds will be established with the Trustee under the Indenture:

Revenue Fund
Bond Fund
Redemption Fund
Issuance Cost Fund
2009A Refunding Fund
Repair and Replacement Fund
Insurance and Condemnation Funds
Surplus Fund
Rebate Fund

Revenue Fund

In the Loan Agreement, the Lessee will agree, as security for its obligation to make Loan Payments thereunder, to deliver, or cause to be delivered, weekly on each Friday, (or if any Friday is not a Business Day, on the immediately preceding Business Day) to the Trustee, for deposit to the Revenue Fund, all General Revenues received by it; provided, however, that if an Event of Default shall have occurred, the Lessee shall deliver all General Revenues daily. The amounts deposited in the Revenue Fund will be disbursed by the Trustee on the twentieth day of each month (or the next succeeding Business Day if the twentieth day of a month is not a Business Day) and, to the extent necessary to make the transfers described in items (a) through (h) below, on the last Business Day of each month, in the following order:

(a) there will be transferred to the Budgeted Parties Expense Fund one-twelfth (1/12) of the amount budgeted therefor as Additional Loan Payments pursuant to the provisions of the Loan Agreement described under (C) through (E) under the heading "THE LOAN AGREEMENT—Loan Payments and Other Amounts Payable—(b) Additional Loan Payments" in this Appendix B;

(b) there will be paid to the Lessee for deposit to the Operating Fund an amount which, together with amounts already on deposit in the Operating Fund, is equal to the greater of (i) the amount budgeted in the Annual Budget for Expenses for the next succeeding two months (excluding any management fee or Lessee Fee) and (ii) any amount necessary to meet the minimum balance requirement, which will be an amount equal to 10% of the Expenses for the then-current Fiscal Year as shown in the then current Annual Budget (excluding any management

fee or Lessee Fee). In order to accomplish the transfer contemplated in this subsection (b), the Lessee will deliver to the Trustee by the 17th day of each month (or the immediately succeeding Business Day if the 17th is not Business Day) a statement of the amounts already on deposit in the Operating Fund;

(c) there will be transferred to the Bond Fund the amount the Lessee is obligated to pay as the Basic Loan Payments pursuant to the provisions of the Loan Agreement described under the heading “THE LOAN AGREEMENT—Loan Payments and Other Amounts Payable—(a) Basic Loan Payments” in this Appendix B;

(e) unless otherwise paid pursuant to paragraph (b) above, there will be transferred to the Operating Fund an amount budgeted in the then-current Annual Budget for the next succeeding two months for any management fees owed as an Additional Loan Payment pursuant to the provisions of the Loan Agreement described under item (iv) under the heading “THE LOAN AGREEMENT—Loan Payments and Other Amounts Payable—(b) Additional Loan Payments” in this Appendix B;

(f) within 30 days after the distribution of the Audit Report, there shall be transferred to the Operating Fund the amount budgeted in the then-current Annual Budget for the Lessee’s fee;

(g) there will be transferred to the appropriate fund or funds any amounts owed as an Additional Loan Payment pursuant to the provisions of the Loan Agreement described under (B) of item (i) under the heading “THE LOAN AGREEMENT—Loan Payments and Other Amounts Payable—(b) Additional Loan Payments” in this Appendix B;

(h) [reserved]; and

(i) if the Lessee is not in default under any Lessee Documents, any remaining amounts will be transferred to the Surplus Fund. If the Lessee is in default under any Lessee documents, any remaining amounts shall remain in the Revenue Fund.

Bond Fund

The Bond Fund, the fund into which the monthly payments derived from the Loan Agreement, all amounts payable under the Guaranty and certain other amounts specified in the Indenture will be deposited, will be maintained with the Trustee. Except as otherwise provided in the Indenture, moneys on deposit in the Bond Fund will be required to be used solely to pay the principal and premium, if any, and interest on the Bonds. However, upon the occurrence of an Event of Default under the Indenture, the Trustee will be permitted to use moneys in the Bond Fund to pay the fees and expenses of the Trustee prior to making any payment to the Bondholders.

2009A Refunding Fund

The Indenture provides for the establishment of the “2009A Refunding Fund,” which shall be used solely for the purpose of refunding the Series 2002A Bonds. The proceeds of the sale of the Series 2009A Bonds will be deposited into the 2009A Refunding Fund. Moneys in the 2009A Refunding Fund shall be disbursed into the Bond Fund of the Series 2002A Bonds for the purpose of reimbursing the 2002 Letter of Credit Bank under the Prior Indenture for the draw used to pay in full the outstanding Series 2002A Bonds.

Redemption Fund

The Redemption Fund will be a trust fund into which moneys will be required to be deposited prior to being used to redeem or purchase Bonds in accordance with the provisions of the Indenture. Moneys in the Redemption Fund will be used only to pay the principal of Bonds described in the Official Statement under the heading “THE SERIES 2009A BONDS—Redemption of Series 2009A Bonds—Other Redemptions at Par.”

Issuance Cost Fund

The Issuance Cost Fund will be a trust fund used to pay Issuance Costs and will be funded with proceeds of the sale of the Series 2009A Bonds an account designated as the “2009A Account.” See “ESTIMATED SOURCES AND USES OF FUNDS” in the Official Statement. The amounts held in the Issuance Cost Fund will be disbursed by the Trustee to pay Issuance Costs upon receipt of a requisition executed by the Lessee setting forth the nature of the Issuance Costs to be paid and the name of the payee and certifying that the amounts being paid are properly includable within the definition of Issuance Costs.

Repair and Replacement Fund

The Repair and Replacement Fund will be a trust fund into which the Lessee will be required to make monthly deposits. See “THE LOAN AGREEMENT—Loan Payments and Other Amounts Payable” herein. The moneys in the Repair and Replacement Fund will be disbursed by the Trustee for the costs of the repair or replacement related to the Project or additions or alterations to the Project or transferred to the Bond Fund to the extent required to pay the principal of, premium, if any, and interest on the Bonds on any Interest Payment Date.

Insurance and Condemnation Funds

The Insurance Fund and the Condemnation Fund will be trust funds into which, under certain circumstances, Net Proceeds of insurance or condemnation awards, respectively, will be deposited and used to prepay Basic Loan Payments or to repair, rebuild, restore or replace the Project. See “THE LOAN AGREEMENT—Destruction and Damage” and “—Condemnation” herein.

Rebate Fund

The Lessee shall be required to deposit to the Rebate Fund from time to time amounts required to be remitted to the United States Treasury pursuant to the Code. Amounts in the Rebate Fund are not pledged to payment of the Series 2009A Bonds.

Surplus Fund

The Surplus Fund will be a trust fund into which moneys remaining in the Revenue Fund, after the disbursements described above under “Revenue Fund,” will be transferred. Amounts held in the Surplus Fund will be transferred to the Lessee and to the Ground Lessor within 30 days after the distribution of an Audit Report if accompanied by a certification from the Lessee that based on the Audit Report the Fixed Charges Coverage Ratio is at least 1.00, representing excess cash flow in the relevant Fiscal Year such amounts as shall be set forth in a written invoice approved by the Lessee and the Ground Lessor. Prior to such transfer, amounts in the Surplus Fund shall be used monthly to fund any shortfall in monthly deposits required to be made to the Revenue Fund.

Budgeted Parties Annual Expense Fund

The Budgeted Parties Annual Expense Fund will be used to pay annual fees of the Trustee. The Trustee is authorized and directed to withdraw funds from the Budgeted Parties Annual Expense Fund to pay such fees as they become due.

Investments

Moneys in the Revenue Fund, the Bond Fund, the Redemption Fund, the Issuance Cost Fund, the Repair and Replacement Fund, the Insurance Fund, the Budgeted Parties Annual Expense Fund, the Condemnation Fund, the Surplus Fund, the Rebate Fund, the 2009A Refunding Fund, [the Debt Service Reserve DFund] or trust funds derived from any other source will be invested by the Trustee at the direction of the Authorized Lessee Representative in Permitted Investments, subject to the restrictions set forth in the Indenture and the Loan Agreement. The Trustee may make any and all such investments through its own bond department. Moneys in the Revenue Fund, the Issuance Cost Fund, the Repair and Replacement Fund, the Insurance Fund, the Budgeted Parties Annual Expense Fund, the Condemnation Fund, the Surplus Fund, the 2009A Refunding Fund, [the Debt Service Reserve Fund] and any other accounts or funds will be invested only in Permitted Investments maturing or redeemable at the option of the holder in such amounts and on such dates as may be necessary to provide moneys to meet the payments from each such respective fund as may be specified by an Authorized Lessee Representative; moneys in the Bond Fund will be invested only in Permitted Investments maturing or redeemable at the option of the holder not later than the next-succeeding principal, mandatory sinking fund redemption, or Interest Payment Date of the Series 2009A Bonds; and moneys in the Redemption Fund will be invested only in Permitted Investments maturing or redeemable at the option of the holder not later than the next succeeding principal, mandatory sinking fund redemption, or Interest Payment Date of the Bonds and at a yield that is not greater than the yield on the Tax-Exempt Bonds for the redemption of which such moneys have been deposited therein. Moneys in the Rebate Fund may be invested only in Government Obligations maturing, or subject to redemption by the holder at not less than the principal amount thereof or the cost of acquisition, whichever is lower, on or before the dates when the payments for such moneys are held are to become due.

Financial Statements

Upon the written request of any Owner that owns at least \$1,000,000 in aggregate principal amount of Bonds then Outstanding, the Trustee, at the expense of such Owner, will be required under the terms of the Indenture to deliver to such Owner a copy of any of the financial statements and other operating data of the Lessee that are described herein under the heading “THE LOAN AGREEMENT—Financial Statements.”

Events of Default

Each of the following will be an Event of Default within the meaning of the Indenture:

- (a) payment of any installment of interest on any Bond is not made by or on behalf of the Issuer when the same becomes due and payable;
- (b) payment of the principal or the redemption premium, if any, of any Bond is not made by or on behalf of the Issuer when the same becomes due and payable, whether at maturity or by proceedings for redemption or pursuant to a Sinking Fund Requirement or otherwise;
- (c) the failure to perform in a punctual manner any other of the covenants, conditions, agreements, or provisions contained in the Indenture or any agreement supplemental to the Indenture or thereto and the continuation of such failure for 30 days after receipt by the Issuer of a written notice from the Trustee specifying such default and requiring the same to be remedied; provided, however, that if such performance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such 30-day period or other period, no Event of Default shall be deemed to have occurred or to exist if, and so long as, the Issuer begins such performance within such period and diligently and continuously prosecutes the same to completion;
- (d) an “Event of Default” shall have occurred under the Loan Agreement or the Ground Lease; or
- (e) a Determination of Taxability shall have occurred.

Acceleration of Maturities

On the happening and continuance of any Event of Default specified in (a), (b) or (e) above, the Trustee immediately will be required, and on the happening and continuance of any other Event of Default specified above, the Trustee may, and on the written request of the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding will be required by notice in writing to the Issuer and the Lessee, declare the principal of all Series 2009A Bonds then Outstanding (if not then due and payable) to be due and payable immediately, and on such declaration the same will become and be immediately due and payable. Upon such declaration, interest on the Bonds shall cease to accrue, and the Trustee shall notify the Owners of the Bonds of such declaration and that interest on the Bonds shall have ceased to accrue on and as of the date of such declaration. If at any time after the principal of Bonds will have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action, or proceeding instituted on account of such Event of Default, or before the completion of the enforcement of any other remedy under the Indenture, money has accumulated in the Bond Fund sufficient to pay the principal of all matured Bonds and all arrears of interest, if any, on all Bonds then Outstanding (except the principal of any Bonds not then due and payable by its terms and the interest accrued on such Bonds since the last interest payment date), and the charges, compensations, expenses, disbursements, advances, and liabilities of the Trustee and all other amounts then payable by the Issuer under the Indenture have been paid or a sum sufficient to pay the same has been deposited with the Trustee, and every other failure known to the Trustee in the observance or performance of any covenant, condition, or agreement contained in the Bonds or in the Indenture (other than a failure to pay of the principal of such Bonds then due only because of a declaration described in this paragraph) have been remedied to the satisfaction of the Trustee, then and in every such case the Trustee may, and on the written request of the Owners of not less than 25% in aggregate principal amount of Bonds not then due and payable by their terms (Bonds then due and payable only because of a declaration described in this

paragraph will not be deemed to be due and payable by their terms), and then Outstanding will, by written notice to the Issuer, the Lessee, and the Owners of the Bonds, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon. Upon any declaration of acceleration under the Indenture, the Trustee shall immediately exercise such rights as it may have under the Loan Agreement to declare all payments thereunder to be immediately due and payable.

Remedies Upon the Occurrence of an Event of Default

Whenever any Event of Default shall have occurred and be continuing, the Trustee may, and on the written request of the Owners of not less than 25% in principal amount of Bonds then Outstanding shall, proceed to protect and enforce its rights and the rights of the Owners under the laws of the Commonwealth or under the Bond Documents by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained in the Indenture or in aid or execution of any power granted in the Indenture or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel chosen by the Trustee, shall deem most effectual to protect and enforce such rights.

Application of Moneys

All money received by the Trustee pursuant to any right given or action taken under the Bond Documents will, after payment of the costs and expenses of the proceedings resulting in the collection of such money and the fees and expenses of the Trustee, be deposited in the Bond Fund and applied to the payment of the principal of, redemption premium, if any and interest then due and unpaid on the Bonds in accordance with the provisions of the Indenture. Anything in the Indenture to the contrary notwithstanding, if at any time the money in the Bond Fund is not sufficient to pay the interest on or the principal of Bonds as the same becomes due and payable (either by their terms or by acceleration of maturities), such money, together with any money then available or thereafter becoming available for such purpose, whether through the exercise of the remedies described under this heading or otherwise, shall be applied as follows:

(a) If the principal of all Bonds shall not have become or shall not have been declared due and payable, all such money will be applied as follows:

FIRST: to the payment to the persons entitled thereto of all installments of interest on Bonds then due and payable in the order in which such installments became due and payable and, if the amount available is not sufficient to pay in full any particular installment, then to the payment, ratably according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds;

SECOND: to the payment to the persons entitled thereto of the unpaid principal of any Bonds that have become due and payable (other than Bonds deemed to have been paid under the Indenture), in the order of their due dates, and, if the amount available is not sufficient to pay in full the principal of Bonds due and payable on any particular date, then to the payment ratably according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and

THIRD: to the payment of the interest on and the principal of Bonds, to the purchase and retirement of Bonds, and to the redemption of Bonds, all in accordance with the Indenture.

(b) If the principal of all Bonds shall have become or shall have been declared due and payable, all such money will be applied to the payment of principal and interest then due on the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all Bonds shall have been declared due and payable and if such declaration thereafter shall have been rescinded and annulled, then, if the principal of all Bonds later becomes due and payable or is declared due and payable, the money then remaining in and thereafter accruing to the Bond Fund will be applied in accordance with the provisions of the Indenture described in subsection (a) of this section.

Discontinuance of Proceedings

If any proceeding taken by the Trustee or Owners on account of any Event of Default has been discontinued or abandoned for any reason, then and in every such case, the Issuer, the Trustee and the Owners will be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies, powers and duties of the Trustee will continue as though no proceeding had been taken.

Discharge of Lien

If (i) the Bonds shall have become due and payable in accordance with their terms or otherwise as provided in the Indenture, and the whole amount of the principal and the interest and premium, if any, so due and payable on all Bonds is paid, and (ii) the Bonds shall not have become due and payable in accordance with their terms, and the Trustee holds sufficient Government Obligations, cash or a combination of both, the principal of and the interest on which, when due and payable, will provide sufficient money to pay the principal of, and the interest and redemption premium, if any, on all Bonds then Outstanding to the maturity date or dates of such Bonds or to the date or dates specified for the redemption thereof and the Issuer causes to be delivered to the Trustee a verification or other appropriate report to such effect issued by a nationally recognized firm of certified public accountants, and (iii) Bonds are to be called for redemption, and irrevocable instructions to call the Bonds for redemption have been given by the Issuer to the Trustee, and (iv) sufficient funds shall also have been provided or provision made for paying all other obligations payable under the Indenture by the Issuer, then and in that case the right, title, and interest of the Trustee in the funds and accounts mentioned in the Indenture will then cease, determine and become void and, on demand of the Issuer and on being furnished with an opinion, in form and substance satisfactory to the Trustee, of counsel approved by the Trustee, to the effect that all conditions precedent to the release of the Indenture have been satisfied, the Trustee will release the Indenture and will execute such documents to evidence such release as may be reasonably required by the Issuer and will transfer to the Lessee any surplus in, and all balances remaining in, all funds and accounts.

Amendment of the Indenture

The Issuer and the Trustee may, without the consent of or notice to any of the Owners, enter into an amendment to the Indenture or an indenture supplemental to the Indenture for any one or more of the following purposes:

(a) to cure any error, ambiguity or formal defect or omission in, or to correct or supplement any defective provision of, the Indenture;

(b) to add to the covenants and agreements of, and limitations and restrictions upon, the Issuer in the Indenture other covenants, agreements, limitations and restrictions to be observed by the Issuer for the protection of the Owners;

(c) to evidence the appointment of a separate trustee or a co-trustee or the succession of a new trustee or the appointment of a new or additional paying agent or bond registrar;

(d) to grant to or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers, benefits, security, liabilities, duties or authority that may lawfully be granted to or conferred or imposed upon the Owners or the Trustee or either of them;

(e) to subject to the lien and security interest of the Indenture additional revenues, properties or collateral;

(f) to modify, amend or supplement the Indenture or any indenture supplemental to the Indenture in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of any state and, if they so determine, to add to the Indenture or any indenture supplemental to the Indenture such other terms, conditions and provisions as may be permitted by the Trust Indenture Act of 1939, as amended, or any similar federal statute;

(g) to modify, amend or supplement the Indenture in such manner as to assure the continued exclusion of interest on any Tax-Exempt Bonds from gross income of the Owners thereof for federal income tax purposes;

(h) to comply with any provisions of the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, or any rules or regulations promulgated thereunder;

(i) to reflect a change in applicable law, provided that the Trustee shall determine that such amendment or supplemental indenture does not prejudice the rights of Owners; or

(j) in connection with any other change that, in the judgment of the Trustee (which may be in reliance upon an opinion of counsel), does not prejudice or materially adversely affect the Owners or impair the Security.

The Issuer and the Trustee will be required, without the consent of or notice to any of the Owners, to enter into an amendment to the Indenture or an indenture supplemental to the Indenture (a) in connection with the issuance of any Additional Bonds in accordance with the Indenture and the inclusion of additional Security in connection therewith, (b) to the extent necessary with respect to the land and interests in land, buildings, furnishings, machinery, equipment and all other real and personal property that may form a part of the Project, so as to identify the same more precisely or to substitute or add additional land or interests in land, buildings, furnishings, machinery, equipment or real or personal property as Security or (c) with respect to any changes required to be made in the description of the Security in order to conform with similar changes made in the Loan Agreement.

Exclusive of indentures supplemental to the Indenture described above under this heading “Amendment of the Indenture,” the Owners of not less than two-thirds in aggregate principal amount of the Bonds then Outstanding will have the right, from time to time, to consent to and approve the execution by the Issuer and the Trustee of such indenture or indentures supplemental thereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture or in any supplemental indenture; provided, however, that nothing contained in the Indenture shall permit, or be construed as permitting, (a) a change of the stated maturity or reduction in the principal amount of, or a reduction in the rate or an extension of the time of payment of interest on, or a reduction of any premium payable on the redemption of, any Bonds, without the consent of every Owner of such Bonds, (b) the creation of any lien or security interest (other than any Permitted Encumbrances) prior to or on a parity with the lien and security interest of the Indenture without the consent of the Owners of all the Bonds at the time Outstanding that would be affected by the action to be taken, (c) a reduction in the amount, or an extension of the time of any payment, required by the mandatory sinking fund redemption provisions of the Indenture, without the consent of the Owners of all the Bonds at the time Outstanding that would be affected by the action to be taken, (d) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such amendment or supplemental indenture, without the consent of the Owners of all the Bonds at the time Outstanding that would be affected by the action to be taken, (e) the modification of the trusts, powers, obligations, remedies, privileges, rights, duties or immunities of the Trustee, without the written consent of the Trustee, (f) a privilege or priority of any Bond or Bonds over any other Bond or Bonds or (g) the release of or requirements for the release of the Indenture, without the consent of the Owners of all of the Bonds at the time Outstanding that would be affected by the action to be taken. Any amendment pursuant to this paragraph is also subject to the prior written consent of the Ground Lessor.

The Trustee will give written notice of any amendment to the Indenture or to any indenture supplemental to the Indenture to each Rating Agency, if any, then rating any series of Bonds.

Amendment of Other Bond Documents

The Issuer and the Trustee will be required, without the consent of or notice to the Owners, to consent to any amendment, change or modification of the Bond Documents other than the Indenture as may be required (a) by the provisions of the Loan Agreement and the Indenture, (b) in connection with the issuance of Additional Bonds, (c) for the purpose of curing any error, ambiguity or formal defect or omission therein or to correct or supplement any defective provision thereof, (d) in connection with the land and interests in land, buildings, machinery, equipment and other real or personal property described in the Loan Agreement and the Leasehold Mortgage so as to identify more precisely the same or to substitute or add additional land or interests in land, buildings, machinery, equipment or other real or personal property, (e) so as to add additional rights acquired in accordance with the provisions of the Bond Documents, (f) to substitute a new lessee under the Loan Agreement as provided therein, (g) to comply with any provisions of the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, or any rules or regulations promulgated thereunder or (h) in connection with any other change therein that, in the judgment of the Trustee, does not prejudice the Trustee or materially adversely affect the Owners.

Except for the amendments, changes or modifications described in the preceding paragraph, neither the Issuer nor the Trustee may consent to any other amendment, change or modification of the Bond Documents other than the Indenture without giving notice to and obtaining the written approval or consent of the Owners of not less than two-thirds in aggregate principal amount of the Bonds then Outstanding; provided, however, that nothing in the Indenture permits or is to be construed as permitting (a) an extension of the time for payment of any amounts payable under the Loan Agreement or a

reduction in the amount of any payment or in the total amount due under the Loan Agreement, without the consent of every Owner affected thereby, or (b) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such amendment, change or modification of such other Bond Documents, without the consent of the Owners of all the Bonds at the time Outstanding that would be affected by the action to be taken.

The Trustee will give written notice of any amendment, change or modification of the Bond Documents other than the Indenture to each Rating Agency, if any, then rating any series of Bonds.

Trustee's Fees and Expenses

Under the Indenture, upon the occurrence of an Event of Default, the Trustee may apply moneys received by it pursuant to any action taken by it in accordance with the Indenture in connection with such Event of Default to the payment of the costs and expenses of the proceedings resulting on the collection of such moneys and to the payment of the expenses, liabilities and advances incurred or made by the Trustee prior to its applying such moneys to the payment of principal of, premium, if any, and interest on, the Bonds.

The Trustee

Duties of the Trustee. The Trustee, prior to the occurrence of an Event of Default and after the waiving or curing of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in the Indenture. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by the Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

Right of Trustee To Perform Duties Through Others. The Trustee may execute any of the trusts or powers under the Indenture and perform any of its duties by or through attorneys, accountants, agents, receivers or employees, shall not be responsible for the acts of any attorneys, accountants, agents or receivers appointed by it in good faith and without negligence, will be entitled to advice of counsel concerning all matters of trusts of the Indenture and the duties thereunder and may in all cases pay such reasonable compensation to all such attorneys, accountants, agents, receivers and employees as may be reasonably employed in connection with the trusts of the Indenture. The Trustee may act upon the opinion or advice of any attorneys (who may be the attorney or attorneys for the Issuer or the Lessee) approved by the Trustee in the exercise of reasonable care. The Trustee will not be responsible for any loss or damage resulting from any action or nonaction taken in good faith in reliance upon such opinion or advice.

Reliance on Notices, Requests, Etc. The Trustee will be protected in acting in good faith upon any notice, request, resolution, consent, certificate, order, affidavit, letter, telegram or other paper or document, or oral communication or direction, reasonably believed to be genuine and correct and to have been signed or sent or given by the proper person or persons. As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceedings, the Trustee will be entitled to rely upon a certificate signed on behalf of the Issuer by the Authorized Issuer Representative or by the Mayor and attested by the Clerk and upon a certificate signed on behalf of the Lessee by the Authorized Lessee Representative or by its President or Vice President and attested by its Secretary as sufficient evidence of the facts therein contained and, prior to the occurrence of a default of which the Trustee shall have been notified or of which it shall be deemed to have notice as provided in the Indenture, will also be at liberty to accept a similar certificate to the effect that any particular dealing,

transaction or action is necessary or expedient, but may, at its discretion, secure such further evidence deemed necessary or advisable, but will in no case be bound to secure the same.

Notice of Default. The Trustee is not required to take notice or be deemed to have notice of any default by the Issuer under the Indenture or the Lessee under the Loan Agreement except (a) failure by the Issuer to cause to be made any of the payments to the Trustee required to be made by the provisions of the Indenture described herein under the headings “Revenue Fund,” “Bond Fund,” “Redemption Fund,” “Issuance Cost Fund,” “Repair and Replacement Fund,” “Insurance and Condemnation Funds,” and “Surplus Fund” and (b) failure by the Lessee to make any of the Loan Payments to the Trustee, unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the Owners of at least 25% in aggregate principal amount of all Bonds then Outstanding. Notwithstanding any other provision of the Indenture, no right of the Trustee to indemnification will relieve the Trustee from responsibility for making payments on the Bonds when due from money available to it or accelerating the Bonds as required by the Indenture.

Notice to Bondowners if Default Occurs. If a failure to comply occurs of which the Trustee is required to take notice or if notice of a failure to comply is given to the Trustee as provided in the provisions of the Indenture described in the preceding paragraph, the Trustee will be required to give written notice thereof to the Lessee and the Issuer as is specified in the Indenture and will be required to give written notice thereof by first-class mail, within 15 days (unless such failure to comply is cured or waived), to the Owners of all Bonds then Outstanding shown by the Bond Register, provided that, except in the case of a default in the payment of the principal of, premium, if any, or interest on any Bond, the Trustee may withhold such notice to the Bondowners if and so long as the board of directors, the executive committee or a trust committee of directors or responsible officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the Bondowners.

Resignation by the Trustee. The Trustee and any successor trustee may at any time resign from the trusts created by the Indenture by giving 30 days’ written notice to the Issuer, to the Lessee, to each Rating Agency, if any, then rating any series of Bonds and, by first class (postage prepaid), to each Bondowner shown on the Bond Register, and such resignation will only take effect at the appointment of a successor trustee pursuant to the provisions of the Indenture and acceptance by the successor trustee of such trusts. If no successor trustee shall have been so appointed by the Bondholders pursuant to the Indenture within 30 days after delivery of such notices, a temporary trustee may be appointed by the Issuer pursuant to the Indenture. In the event that no successor trustee is appointed and has accepted appointment within 30 days of the giving of written notice by the resigning trustee as aforesaid, the resigning trustee may petition any court of competent jurisdiction for the appointment of a successor trustee.

Removal of the Trustee. The Trustee may be removed at any time (a) by the Issuer for any breach of the trusts set forth in the Indenture or for failure or refusal to act as trustee or (b) by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by a Majority of the Bondholders or (c) by an instrument in writing delivered to the Trustee and the Issuer and signed by the Lessee, provided no Event of Default under the Indenture or the Loan Agreement shall have occurred and be continuing. Removal of the Trustee pursuant to (c) above will not be effective until the Trustee is paid for all Ordinary Services and Extraordinary Services of the Trustee rendered under the Indenture and for all Ordinary Expenses and Extraordinary Expenses of the Trustee incurred under the Indenture. The Issuer, or the Lessee on behalf of the Issuer, will give written notice of removal of the Trustee in accordance with the provisions of the Indenture described in this paragraph to each Rating Agency, if any, then rating any series of Bonds.

Appointment of Successor Trustee; Temporary Trustee. In case the Trustee shall (a) resign or be removed or (b) be dissolved or shall be in the course of dissolution or liquidation, or in case it shall be taken under the control of any public officer or officers or of a receiver appointed by a court or otherwise become incapable of acting under the Indenture, a successor may be appointed by an instrument executed and signed by the Mayor and attested by the Clerk under its seal and executed by an officer of the Lessee, provided that if a successor trustee is not so appointed within 10 days after notice of resignation is mailed or an instrument of removal is delivered as provided by the provisions of the Indenture described in the preceding paragraph, respectively, or within 10 days of the Issuer's knowledge of any of the events described in (b) hereinabove, then the Owners of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by or on behalf of such Owners, delivered personally or sent by registered mail to the Issuer and the Lessee, may designate a successor trustee. Until a successor trustee shall be appointed by the Bondowners in the manner described above, the Issuer, by resolution or ordinance and upon written notice to the Lessee, will be required to appoint a temporary trustee to fill such vacancy, and any such temporary trustee so appointed by the Issuer will immediately and without further act be superseded by the successor trustee so appointed by the Bondowners. Notice of the appointment of a successor trustee will be given in the same manner as with respect to the resignation of the Trustee. Every such successor trustee or temporary trustee is required to be a trust company or bank organized under the laws of the United States of America or any state thereof that is in good standing within or outside the State, is eligible to serve as trustee, bond registrar and paying agent under applicable law, is duly authorized to exercise trust powers and subject to examination by federal or state authority, shall have a reported combined capital and surplus of not less than \$75,000,000 and is an institution willing, qualified and able to accept the trusteeship upon the terms and conditions of the Indenture.

In case at any time the Trustee shall resign and no appointment of a successor trustee shall be made pursuant to the foregoing provisions of the Indenture prior to the date specified in the notice of resignation as the date when such resignation shall take effect, the Owner of any Bond or the resigning Trustee may apply to any court of competent jurisdiction to appoint a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor trustee.

Notwithstanding any other provision of the Indenture, no removal, resignation or termination of the Trustee (or any paying agent) shall take effect until a successor shall be appointed.

Payments Due on Non-Business Days

In any case where a payment is due on any Series 2009A Bond on a date that is not a Business Day, such payment may be made on the immediately succeeding Business Day with the same force and effect as if made on the scheduled payment date.

THE GUARANTY

Obligation Guaranteed

The Foundation, in the Guaranty, unconditionally guaranties to the Trustee all of the Lessee's payment obligations under the Bond Documents (whether regularly scheduled or by prepayment) (such obligations of the Lessee are referred to in the Guaranty as the "Obligations") on or prior to the Termination Time (as defined below). The Guaranty is a guaranty of payment and not of collection.

The obligations of the Foundation under the Guaranty are independent, absolute, irrevocable and unconditional and shall remain in full force and effect until the Lessee has fully satisfied all of the Obligations (such time being the "Termination Time").

Guaranty Payments. If on the date (the “Bond Fund Assessment Date”) eight calendar days prior to any date on which any payment is required to be made from the Bond Fund (as defined in the Indenture) there are insufficient moneys on deposit therein, to make such payment, the Trustee shall immediately make demand on the Guaranty to the Foundation for payment of an amount sufficient to fully pay all amounts then due for principal, premium, if any, and interest on the Series 2009A Bonds. The Trustee shall give telephonic (promptly confirmed in writing) or telegraphic notice to the Foundation by the close of business on the Bond Fund Assessment Date, which claim for payment shall provide that the Foundation is required to make payment to the Trustee by no later than 2:00 p.m., Louisville, Kentucky time, on the second Business Day (as defined in the Indenture) following such claim.

In the event of a default in the Obligations, the Trustee, in its sole discretion, may proceed first and directly against the Foundation under the Guaranty without proceeding against or exhausting any other remedies that it may have and without resorting to any other security held by it, and in so proceeding against the Foundation, no election of remedies shall be deemed made as to the Lessee or the Guaranty. The Trustee shall give telephonic (promptly confirmed in writing) or telegraphic notice to the Foundation by the close of business on the date such payment was due of any failure of the Lessee to make timely or sufficient payment of the Obligations (without regard to any grace period), which claim for payment shall provide that the Foundation is required to make payment to the Trustee by no later than 2:00 p.m., Louisville, Kentucky time, on the second Business Day following such claim.

Limitation on Liability. Notwithstanding any of the terms and provisions of the Guaranty, the maximum amount guaranteed under the Guaranty shall not exceed aggregate debt service due on the Series 2009A Bonds; provided, however, in no event shall the Foundation be liable thereunder in any Bond Year (as defined in the Indenture) for an amount greater than maximum annual debt service on the Series 2009A Bonds.
